

7th Grade Math & Science

Supply List

2020-2021

Welcome to 7th Grade Math & Science!!

The Peoria Unified School District provides necessary supplies.

The items listed below are requests for classroom use.

Each student will have their own supplies that ONLY they will use.

Supplies will NOT be shared this year due to Covid-19.

These items may be brought in the first week of school.

The following materials are needed for Math and Science classes combined:
