

# If you only knew...

Come to know  
FOOTHILLS SITE COUNCIL

December 4th, 2017    LIBRARY 5:30 PM    SUMMARY

## REGULAR BUSINESS

Sign in – Welcome

M & O Budget- Where are we? – *Unsure. We had the November roll-over. Will know in January meeting.*

Capital Budget- Where are we? - *Roughly \$15,000 – Some has been prioritized for Makerspace development.*

Title I Budget- Where are we? - *37K, 44K, 50K?? Unsure due to reconciliation of reductions and low communication on such.*

Discussion on the Fiesta Bowl grant won by Mr. Larry Cox worth \$5,000.

## AGENDA ITEMS

<ul style="list-style-type: none"> <li>• <u>Review of Maker Space goals</u></li> </ul>	<p><i>Reviewed goal regarding the increase of the recycling program, and the hope to increase Community and business connections through the CAFÉ program. Many are still in waiting and some are in a good start (red dots).</i></p>
<ul style="list-style-type: none"> <li>• <u>Recycling Program-</u> Flyer review, Map review, set up dates, delivery, and pick up.</li> </ul>	<p><i>Group reviewed the flyer to be sent out to out selected community on the Google Street Maps. The plan was to do two drives. Just to get an idea if the house pick up program could work. Also, discussed the idea of having a school drop off area. Parent member is going to contact City of Glendale to see if there is a possibility to have some recycling container brought to our school over the Holiday break during the time the Kid Zone is here. Want to control that due to over use. Reaching out to Student Council</i></p>

	<i>student o do a "treasure hunt" of small items for maker space use (rubber bands, popsicle sticks, etc.). This was an idea in the October meeting.</i>
<ul style="list-style-type: none"> <li>• <u>Building Project- Holiday break- Bin Making day. 9:30-12:30.</u></li> </ul>	<i>A Holiday break event with staff and community has been planned to use donated supplied to build recycling bins for he Makerspace.</i>
<ul style="list-style-type: none"> <li>• <u>C.A.F.E Event - Review Invitation</u></li> </ul>	<i>Reviewed the letter and the ideas behind the CAFÉ event to engage the community and business, education and faith based organizations near us or who have similar interests.</i>
<ul style="list-style-type: none"> <li>• <u>ADDED ITEMS:</u> Student Presentation for a Video Space</li> </ul>	<i>Student presented the ideas of classmates who desire a video recording area and perhaps a Foothills YouTube account to post their videos. Many discussion about the use and purpose of the videos. Discussed the PUSD PEF grant for this opportunity. Asked student to start researching the devices and the equipment needed for (as discussed) a mobile studio that kids could use in a variety of contexts.</i>

## Creative Recycling

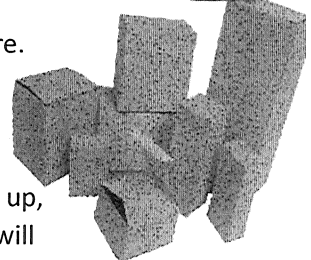

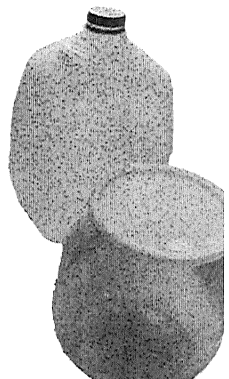

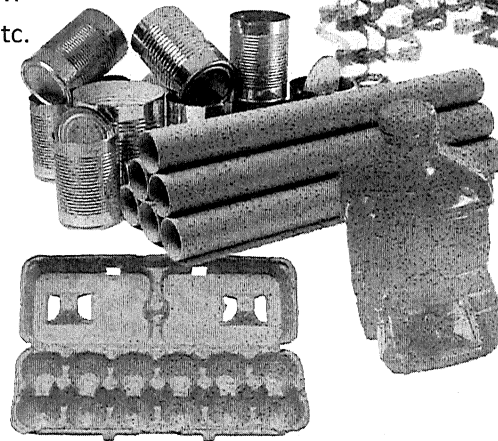

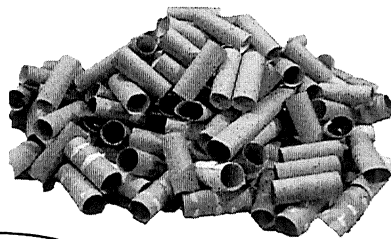

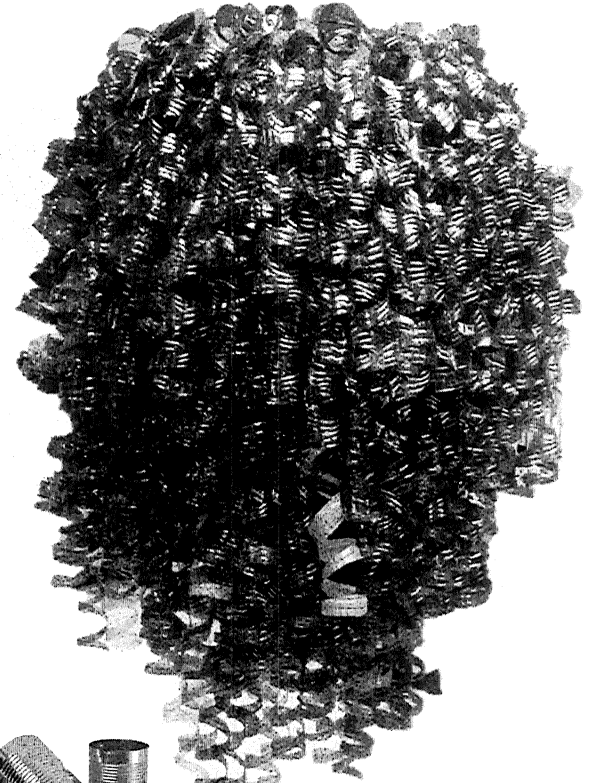

15808 N. 63<sup>rd</sup> Ave. Glendale, AZ 85306

This school has a mission of "Artful Teaching, Artful Learning". Within this statement, among many creative things, we strive to develop a program where kids are building products to demonstrate their understanding of what they are learning. In schools, we call this Project/Problem Based Learning (PBL).

In an effort to implement PBL on a regular basis, we desire to utilize as many recycled/repurposed materials that we can get our hands on. We are looking for a variety of materials, specifically, they are listed below.

- **Tin cans** - many sizes - careful of sharp edges! No soda cans, please.
- **PVC Pipe scraps**... clean... any connectors would be great.
- **Egg cartons**- paper or foam
- **Plastic milk jugs** – **VERY CLEAN!**
- **Plastic bottles or containers** with removable tops (like empty aspirin bottles, coffee cans, water bottles, juice bottles, etc.). Please include the tops.
- **Cardboard tubes** - paper towel, gift wrapping, plastic wrap, rug tubes (toilet paper tubes are too short).
- **Small Cardboard Boxes**- cereal boxes (you can breakdown adhesive and flatten them), shoe boxes, Pringles tubes, etc.

I know we can be creative!

Me too

THIS IS ALL WE NEED RIGHT NOW! We may ask for different things in the future. We appreciate our communities help!

**PLEASE make it safe and clean!**

Attached are some recycled shopping bags. Place your items in these, tie them up, and put them at the end of your driveway on \_\_\_\_\_ by 9:00AM. We will pick it up!

**If you have questions, please call 623-412-4626**

## TeacherGeek: Maker Cart

Type: Tools and Equipment/Storage Line: TeacherGeek Ages: 6+

[Add To Wish List](#)

Roll the Maker Cart into your classroom for the ultimate STEM/STEAM solution. With more than 60 STEM projects and almost every TeacherGeek component, this cart can support hundreds of kids. It comes with a pallet of replacement supplies and tools to create almost any project. The sign is dry erase, so you can color it your way. This is NGSS aligned and appropriate for Grades 3-12.

What will your students make with the cart? Here are a few examples: rubber band racers, electromagnet cranes, hovercrafts, judo-bots or sumo-bots, terrariums, water filters, trebuchets, ramp-roll vehicles, straw rocket shooters, and many more inventions! **Note:** This product has a 45-day lead time.
