LIBRARY Started at 6:07PM

SUMMARY

## REGULAR BUSINESS

Sign in – Welcome

### Budget Review

- M&O The 2018-19 allocation was \$20,736-
- Capital The 2018-19 allocation was \$9,648-
- Title I The 2018-19 allocation was \$84,600. In September, bumped an additional \$18,000.
- Budgets will be updated in November on an annual basis.

### **Reviewed all budgets.**

*Discussion of what specific funds were for. Building some clarity and the review of more specific budget usage for the November meeting and on a regular basis as school. All school budgets will be updated in November and a clearer picture will be provided on a monthly basis.*

## AGENDA ITEMS

- Review Policy for Site Council
- Review of potential Initiatives
  - Safety
  - Budget (Bond)
  - Title I
  - Discipline
  - Makerspace Initiative

*Reviewed the district policy and some language that would clarify our purpose as a community. "curriculum", etc. Biggest question is "what we can we all do to provide feedback and perspective".*

*All of the topics were discussed as a means to build some understanding and potential initiatives. The budget for the bond was a good topic of potential feedback for the Site Council as a means to provide some feedback on allocated funds. These could be regular topics of the Site Council meeting with updates or specific activities that could build some clarity. For example, a table top activity for school crisis.*

- Review of Maker Space goals from 2018-19

*The review of the goals was done prior to the second agenda items as a means to build some understanding of how we could as a group monitor the progress of a program. Makerspace needed some explanation to some new members. Discussed some of the variables such as community connections and our connection to Faith Bible Church.*

- Ideas for 2018-19 School Year

*We discussed the 2<sup>nd</sup> Monday of the Month and the next Tuesday if Monday was not a school day. All agreed to this.*

### **Further discussion on bullet points**

- *There was a discussion about a program for Dads being involved at school it was called a "DOGS" program. Some schools are doing this in our district. Skyview was mentioned.*
- *There was a discussion of an email sent earlier in the year <sup>from</sup> ~~form~~ a parent about the makerspace and the connection with the VISTA and AmeriCorps program. Principal will dig in a little for some information.*
- *Article of Makerspace for building a good understanding of the initiative.*

### **Future agenda items**

- *Safety break down of roles and responsibilities.*
- *Break down a Makerspace project of the CBG project.*
- *Provide updated budget and discipline issues.*

### **Adjournment**
