The budget will be updated the week of December 16th

• Monthly Monitoring

- Behavior

Related to the ADE Grant and Falcon Feather plan we discussed the situations that we have had in the 33 incidents and the number of suspensions and the number of referrals. We have had no questions on this information.

• School Goals

Administration presented the school goals we developed over the spring/summer due to the Title I CAN process and the realistic ideas of the school wide expectations during this COVID situation. There were no discussions or questions about the school goals for the Foothills staff.

• Falcon Feathers Plan

- Plan for Positive Behavior Expectations
- Understanding Discipline
- How do we know we are successful?
- ADE Grant Reports

This presentation was conducted via recording and some voice in the power point program. The plan was laid out quite a while ago. We shared the Site Council participants via email the Falcon Feather Documents and the Understanding Discipline as Learning documents. We had some questions about the social worker and online social work intervention. We discussed some help in the past and we will reach out soon.

• COVID SAFETY

- How our campus operates for COVID

We discussed the actions we have taken for the 2020-21 school year in terms of many COVID practices to keep kids safe. We also discussed the

- COVID Updates
- Safety of our school

numbers of situations with symptomatic situations and the numbers of negativity reported and the number of positivity reported. There was discussion of air circulation and we presented that the building are not like typical schools and they have their own AC unit, and they did not share room to room. There have been discussion about the returning to school message and we do not have any details at the point, but we communicated that there would be some updates very soon.

- **Further discussion on bullet points**
- **Future agenda items**
- **Adjournment**

There will be a presentation of how we develop our house points with the safety lanyards. Updates on the COVID safety plan and the update on the new way we will conduct learning next semester.
