Dear Parent/Guardian,

Our records indicate at some point this school year your child(ren) qualified for services under the McKinney-Vento Homeless Education Assistance Act. It has been our pleasure providing educational support services. We hope it has been a positive experience for you as well.

**Please be reminded that McKinney-Vento eligibility must be reviewed and reevaluated every school year. A new application is required by law, annually. Transportation, free meals, and other services that may have been provided this school year do not automatically carry over to the next school year.**

**If your student's housing situation has stabilized McKinney-Vento classification will not be renewed.**

You may choose one of the following options:

- Enroll at the local school of residence where other students in your neighborhood are assigned to attend.
- Apply for open enrolment if you are out of the attendance area and would like the student to continue at the current school. **Please note open enrollment is an administrative decision** and is out of the McKinney-Vento realm. Also, be aware district transportation is not provided for open enrollment students.

If you are still living in transition, you have the following options:

- Enroll at the local school of residence where other students in your neighborhood are assigned to attend.
- Request continued enrollment at the current school. Please note it is your responsibility to call your school to make this request. Thank you for allowing us the opportunity to assist you.

Sincerely,

Your McKinney Vento Liaison

Maurice (Reece) Stephens
