Practice, Practice, Practice your multiplication and division facts.  
You learned them in 3<sup>rd</sup> grade. Don't forget them during the summer.

*Read, Read, Read every day and read as much as you can.  
Reading chapter books, newspapers, magazines, directions, and maps.*

### Parent Involvement Tips:

1. Support your child in school and with his/her activities.
2. Have a time and place for homework.
3. Go over work daily and weekly to monitor your child's progress.
4. Sign and return all forms that need your signature.
