## Logging into StudentVUE

Open an Internet browser and go to the Peoria Unified School District home page:

<https://www.peoriaunified.org/>

1. Hover over the *Students* tab and then click to select **StudentVUE**.

2. Click the **Click Here to Enter** button.

3. Click **I am a student >**.

4. Enter the **User Name** and **Password**.

5. Then click the **Login** button.

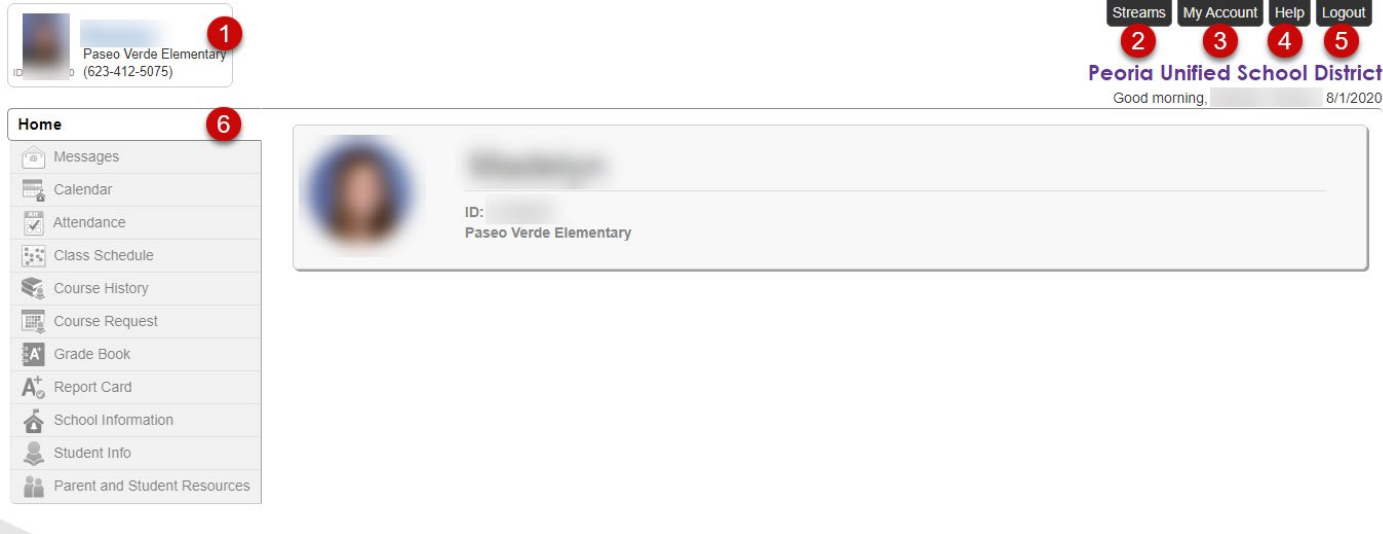

A screenshot of the login form for the Peoria Unified School District. The form is titled 'Login' and 'Peoria Unified School District'. It has two input fields: 'User Name:' with the text 'mnielsen1234' and 'Password:' with a masked password '\*\*\*\*\*'. Below the password field is a blue 'Login' button. At the bottom right, there is a 'More Options' link with a dropdown arrow.

## Logging out of Your Account

1. Be sure to click the **Logout** link in the upper-right corner of the page when finished.

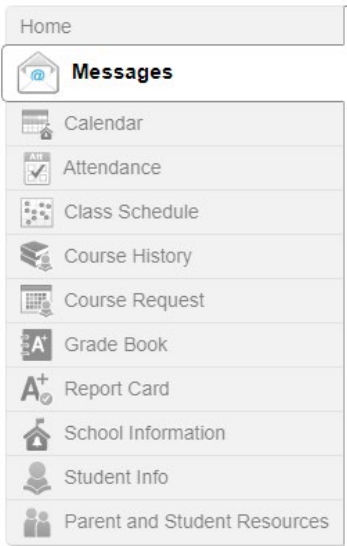

# StudentVUE Home Screen

- 1. **Student/School Info**– displays basic student and school info
- 2. **Streams** – allows communication between teacher and student.
- 3. **My Account** – access account information and update notifications
- 4. **Help** – information provided by the district
- 5. **Logout** –logout when finished
- 6. **Navigation Bar** – contains links to display student records

## Messages

The **Messages** screen will have a list of messages from teachers.

- 1. Click on the message icon to open a new message.
- 2. Use the **Reply** button to respond to the teacher's message.

3. Click to view any attachments.

4. Use the **Close** button to close the message.

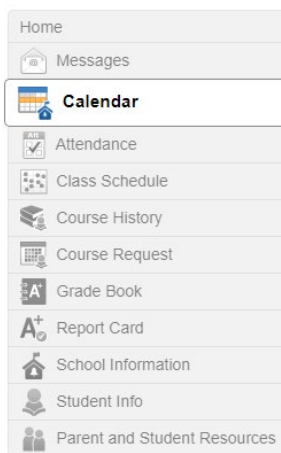

5. Use the **Delete** button to delete the message.

## Calendar

The **Calendar** screen displays assignments from the grade book, as well as other school and district events.

**Instructions**

Animal Report Submission

What is the African elephant?

African elephants are the largest land animals on Earth. They are slightly larger than their Asian cousins and can be identified by their larger ears that look somewhat like the continent of Africa. (Asian elephants have smaller, rounded ears.)

African elephants are a keystone species, meaning they play a large role in their ecosystem. Also known as "ecosystem engineers," elephants shape their habitat in many ways. During the dry season, they use their tusks to dig up dry riverbeds and create watering holes many animals can drink from. Their dung is full of seeds, helping plants spread across the environment—and it makes pretty good habitat for dung beetles too! In the forest, their feasting on trees and shrubs creates pathways for smaller animals to move through, and in the savanna, they uproot trees and eat saplings, which helps keep the landscape open for zebras and other plains animals to thrive.

Don't forget your punctuation.
