

Dear Parent and/or Guardian,

Welcome to the 2016 – 2017 school year. We are excited to share some information with you regarding the newly adopted, board approved, math textbook resource, *Houghton Mifflin Harcourt*. You can help your student practice math skills taught at school by accessing these textbook resources at home through my.hrw dashboard. To access these resources please follow the simple steps outlined below.

Access my.hrw Dashboard online:

1. Access the [PUSD Student Portal](http://www.peoriaunified.org/) via <http://www.peoriaunified.org/>.
2. Login using your student's username & password.
3. Click on the  schoolnet icon and login once more.
4. Under Resources, click on H.S. Math Resources.
5. Click  to access the Student Dashboard.

Access the following tools to stay connected to your student's math classroom:

- **Interactive Student Edition** provides students with notes from the module lessons, as well as additional practice with a self-check feature to provide students with immediate feedback on their understanding.
- **Student Resources**
 - **Math on the Spot Videos** are imbedded within the module lessons and can be found within the Interactive Student Edition and Student Resources. These videos provide additional examples and step by step instruction on key concepts of the lesson.
 - **Student Edition Lessons** include a digital copy of the student textbook, as well as QR codes for the Resource Locker containing additional practice, support videos, and digital tools.

Your support and encouragement are sure to lead to your student's success in math. Here's to an exciting year of learning! If you have any questions about accessibility please contact your student's math teacher.

Thank you,
Peoria Unified School District Curriculum and Instruction Team
