

Dear Parent and/or Guardian,

Welcome to the new school year. We are excited to share some information with you regarding our adopted math textbook resource, *McGraw-Hill My Math*. You can help your child practice math skills taught at school by accessing these textbook and digital resources at home through the ConnectED site. To access these resources please follow the simple steps outlined below.

### Access ConnectED online:

1. Access the [PUSD Student Portal](http://www.peoriaunified.org/) via <http://www.peoriaunified.org/>.
2. Login using your child's username & password.
3. Click on the  schoolnet icon and login once more.
4. Under Resources (lower left-hand side) click on [Elem Math ConnectEd](#).
5. Click 
6. Click on the *McGraw-Hill My Math* book to open the Student Center.

### Access the following tools to stay connected to your student's math classroom:

- **eHelp** assists students by giving targeted help in completing homework.
- **Personal Tutors** are online virtual teachers that walk your student through the steps of the lesson problems. The personal tutor includes lesson examples and narration to describe the thinking process as the problem is solved. The tutors are available for grades 3-5 and can be accessed anytime/anywhere.
- **Animations & Games** allow your student to reinforce the lesson's concepts by watching animations, interacting through games and apps, or exploring with virtual manipulatives.
- **eToolkit** provides a support for students as they learn different mathematical concepts. Students can interact digitally with the hands-on manipulatives they may be using in the classroom.

Your support and encouragement are sure to lead to your child's success in math. Here's to an exciting year of learning! If you have any additional questions about accessibility, please contact your child's math teacher.

Thank you,  
Peoria Unified School District Curriculum and Instruction Team
