

Logging in to Canvas as an Observer

IMPORTANT: To login to Canvas as an Observer, you must first have a ParentVUE account. If you do not have a ParentVUE account, please talk with your school secretary about having one created.

1. Go to the Peoria Unified home page.
<https://www.peoriaunified.org>

2. Hover over the *Families* tab and select **Canvas**.

3. Click the **Canvas Parent Login** button.

Canvas Parent accounts will have the same username as ParentVUE accounts; however, Canvas passwords must be reset when logging into Canvas for the first time. This means your passwords may be different for each platform.

IMPORTANT: Leave the Login and Password fields blank before clicking Forgot Password (step 4).

4. When logging into Canvas for the first time, parents must click **Forgot Password**.

5. Enter your **ParentVUE Username** (not email address).
6. Click **Request Password**.

NOTE: A message will appear stating that instructions will be sent to the email associated with your ParentVUE username.

- Once the email is received, click the **Click here to set a new password** link.

You requested a confirmation of your password for logging into Canvas.

This address is associated with the login, "ckadams".
