

Navigating Canvas as an Observer

As an observer, you can view your child's courses. Depending on the teacher's course organization, you may not see the same options or links in each course.

The screenshot shows the Canvas Dashboard interface. On the left is a vertical sidebar with icons for Account, Dashboard, Courses, Calendar, and Inbox. The main content area is titled "Dashboard" and features a dropdown menu for user selection. Below this are two course cards: "Driver Education-P12-Lanning-17..." and "English II H-P01-Johnson-10240". A red box labeled "click to select a child" points to the user dropdown menu. Another red box labeled "click to select a course" points to the "English II H-P01-Johnson-10240" course card.
