## **Topics of Discussion:**

- **“A” Label**
  - Mr. Hamman shared that Lake Pleasant was only 1 of 4 elementary schools in the district who received an “A” label from the state. School labels include the following categories:
    - Proficiency Points
    - Growth Points
    - EL Proficiency and Growth points (this will be the 1<sup>st</sup> year we will have points with our ELL population), Acceleration/Readiness, and bonus points.
- **Override Input**
  - Site council members shared their own personal information on why the override did not pass and shared stories on what the community perceives.
- **PBIS Update**
  - Mr. Hamman shared that Lake Pleasant started the rollout of a new PBIS program which focuses on Position Behavior Strategies.
    - A PBIS team was formed towards the end of last year
    - PBIS team members attended a summer conference
    - The team has been working over the past several months to develop Tier 1 implementation
    - We have been fortunate to have been guided by the state director of PBIS
    - Our program is called S.O.A.R. – Safe/Organized/Aware/Responsible
    - New posters are being developed that will be posted in January that outline student expected behaviors in each category for bathroom, hallways, classrooms, and cafeteria.
    - Posters will build a common language that all staff has been trained on.
    - In January – expectations will be rolled out to students with a completed roll out by Spring Break.
- **Adjournment**

Meeting was adjourned at 4:35 pm.

**NEXT MEETING – Tuesday, February 18<sup>th</sup>, 3:15 pm**
