## **Discussion Items:**

### **• Election Process of Parent Representatives**

Mrs. Briggs, Mrs. Prestidge and 3 other parents have expressed their interest in serving as the Site Council parent representatives for the 2017-18 school year. One parent rep will serve for a 1-year term and one parent rep will serve for a 2-year term to allow rotations to begin.

FOLLOWUP: It was decided to hold an election on Meet the Teacher night in the cafeteria. Electronic voting on laptops will be set up in the cafeteria. A staff member will monitor voting with a family list. All parent candidates will be asked to provide a short paragraph about themselves for the ballot.

### **• Personalized Learning/Academic Support Software**

Mr. Hamman shared that Personalized Learning will be taking place this year district-wide and strategies on the “whole student” needs being met.

- Integrating Technology
- Study Reflection/Ownership
- Data Driven Instruction
- Personalization

Imagine Learning will be implemented district-wide (Math 3-8 and literature PK-3). Lake Pleasant will also be piloting StudySync (ELA 6-8) and piloting IEXCEL (K-2 math).

With the implementation and piloting of these programs, Lake Pleasant will consider the need for continuing Razkids.

- **Meeting Schedule for 2017-18**

Discussion regarding the frequency of site council meetings.

ACTION: It was decided to continue meeting monthly. Dates will be selected after parent representation is selected.

- **Signature Program**

Mr. Hamman reported that discussions regarding a signature (Gifted) program for Lake Pleasant Elementary will be moving forward for possible implementation in 2018-19 school year. Upcoming discussions will include: grade levels, selection process, teacher selection, support data, etc.

Meeting was adjourned at 10:15 am.
