WHY is FUNDRAISING so IMPORTANT ?
Every dollar earned through fundraising is used to support your child's educational enrichment and to improve our very own school!

Everyone wants to know, WHERE is my MONEY GOING ?
One of our goals this year is to help fund the purchase of a new, up-to-date, electronic marquee for the front of our school! This will allow us to notify our families of important dates and information more frequently and efficiently! Having an immediate way to communicate with families also improves our schools overall safety!

Beginning FEBRUARY 23 these items will be available for purchase EVERY FRIDAY on the playground during lunch! CASH ONLY!
These items also available for purchase at the Green Eggs & Ham Breakfast March 2nd!

CONGRATULATIONS MRS. FARLEY!

Mrs. Farley renewed her National Board Certification and is one of only 5 who hold this certification in the district. Having this certification means she has taken teaching and knowledge of students to a higher level and she is held to higher standards. This also means Mrs. Farley is considered a master teacher for early adolescents.

Mrs. Farley, congratulations!

Braxton Huynh, Quarterback for Team Impact, led his team to victory in the NFL Play 60: Competitive Youth Flag Football at the National Championships in Orlando, FL.
