

Welcome to KidZone!

We are excited to announce that KidZone is offering online registration for the KidZone Programs. If parents would like more information on all our programs, you can visit our website www.peoriaunified.org/kidzone.

*Registrations are currently being accepted for the
2023 Summer EdCamp & 2023/2024 School Year*

Steps For Enrolling Your Child Online

1. Link to the online enrollment system is found on the KidZone website or go to [the Eleyo Kidzone registration page](#).
2. Scroll to the bottom and click the “Learn More” button
3. You will then click the green “Enroll Now” button
4. Next you will need to create an account for yourself-

5. Fill out all parent/guardian information for the main account holder, then you will “Add a New Child”. When adding a new child, complete all the required fields of information.
6. Next steps will be choosing a contract for either Summer EdCamp 2023 or School Year 2023/24. Continue through the registration screens answering all required questions to enroll each student in the program. If needing to enroll for both programs, you will need to complete a separate contract for each season.
7. Upon completing the contract process online, you will receive an email confirming your request. Once a spot has been approved for your student, you will receive a second confirmation email confirming your students’ spot. Adding a payment method online when completing the contract request will ensure we can charge the registration fee at the time of accepting your student’s contract but is not a requirement. If a payment method is not entered, an invoice will be emailed. A spot is not guaranteed in the program until the registration fee is confirmed paid.
