Program Expectations:

Parent/Guardian Expectations

- Parents are responsible for communicating respectfully with KidZone staff members to maximize the effectiveness of the KidZone program.
- Parents are responsible for keeping their child's records up to date.
- Parents are also responsible for paying fees on time as described in the KidZone Parent Handbook.
- Parents are responsible for abiding by the handbook guidelines and the approved Financial Agreement. Please read the information presented in the KidZone Parent Handbook and contact us if you have any questions at 623-773-6688.

KidZone Staff Member Expectations

- Staff members are responsible for communicating respectfully with parents and children to maximize the effectiveness of the KidZone program.
- Staff members will work together with parents/guardians to maintain open communication regarding insight into the student's behavior or any changes that may occur.
- Staff members will communicate any injuries or accidents with the parents/guardians.
- Staff members will provide activities that give participants the opportunity to explore new experiences that will expand learning in a supervised, safe and secure environment.
- Staff members will ensure compliance with the Arizona Department of Health Services regulations.

Student Expectations

- All children are entitled to a positive and safe KidZone learning environment. Therefore, children are expected to follow the rules and directions from the Peoria Unified KidZone staff. Children must be able to participate in a 1:20 staff to student ratio. Children are expected to behave in a way that ensures the safety of themselves and other children.
- When disciplinary action becomes necessary due to unacceptable behavior, staff will take into consideration the severity of the behavior, the age of the child and if the behavior has taken place repeatedly. Some appropriate consequences may include: a verbal warning, a brief "calm-down" period, loss of privilege, a written behavior report or possible suspension and/or expulsion from the KidZone program. If program administration determines that a child cannot benefit from the KidZone program or presents a danger to his/her self or other children, the student may be withdrawn from the program.
- Extreme behaviors such as hitting, biting, spitting, kicking, etc.; abusive language; disrespect to staff (verbally or physically by child or parent); attempts to leave or leaving the program without permission; repeated offenses within the same day or those behaviors that put a child or others in danger will accelerate the disciplinary process. Repeated inappropriate or aggressive behavior with multiple suspensions will lead to removal from the KidZone program. The re-admission of a student into the program will be done at the discretion of the program director.

The Peoria Unified School District KidZone program reserves the right to remove a participant from the program at any time without notice; if this occurs, the District will provide a prorated refund of the program fees that were remaining on the balance.

Children with a Disability or Impairment

If your child has a disability or impairment, please provide IEP/504 accommodation paperwork to ensure a plan for successful participation. Accommodations will be provided to afford a student with a disability or impairment meaningful access to the KidZone program, unless demonstrated that the accommodation would be a fundamental alteration in the nature of the KidZone program or constitute an undue financial and administrative burden. Any student, including students with disabilities, may be removed from KidZone if that student, even with reasonable accommodations, compromises the safety and/or successful participation of students and staff.

Peoria Unified School District does not discriminate on the basis of race, color, national origin, sex, age, or disability in admission to its programs, services, or activities. The right of a student to participate fully in the KidZone program shall not be abridged or impaired because of race, color, religion, sex, age, national origin, and disability, or any other reason not related to the student's individual capabilities.
