POLICIES AND PROCEDURES

Signing Children In and Out

A child enrolled in the Peoria Unified KidZone program will only be released to persons specifically authorized on the Emergency, Information and Immunization Record Card that is completed during registration. No exceptions will be made without the advance written permission or telephone authorization from the parent or guardian. Individuals will be required to show a valid picture I.D. at the time of pick-up. A written request to release your child to a person not on the authorized list will be verified by phone, with your telephone authorization code, before your child will be released. If there are custodial issues regarding a child, legal custody papers must be on file at the Peoria Unified KidZone site.

Participants must be signed in and out daily by a parent or authorized person. This is done by signing your name and time. Children may not sign themselves in or out of the program. The Peoria Unified KidZone site staff is authorized to sign the child out and release the child to the school. After school, staff will conduct sign-in.

Attendance Audits

Monthly audits of daily sign-in/sign-out sheets will be performed for each site. Any extra days of attendance not originally scheduled, per the attendance contract will be the financial responsibility of the parent/guardian and subject to late/penalty fees as described in fee structure.

Health & Emergency Procedures

If a child becomes ill during the program, the child will be placed in an isolated area. Depending on the time of day and the degree of illness, parents will be contacted to make arrangements to have the child taken home.

Please do not send a child if he/she displays any of the following symptoms; nausea, rashes, red/inflamed eyes, temperature above 100° without medication or cold symptoms within the past 24 hours. Minor scratches and cuts will be treated at the site. If a serious accident should occur, the City of Glendale Fire Department will be summoned for treatment and will decide whether a child should be taken to the nearest hospital or doctor's office by ambulance. Parents will be notified immediately. Treatment may only be rendered if written authorization is on file.

Medications

Students are not allowed to carry any medication, unless they have a district permission form on file with both the school nurse and KidZone office. All medicine will be stored in a locked container with the staff and will be dispensed by staff. For staff to administer medication, parent/guardian must complete the "Medication Release Form," available at the site, and bring the prescribed amount of medication in the original container.

Personal Items

The program provides a variety of materials and activities to keep children busy and engaged. Peoria Unified EdCamp staff is not responsible for personal items brought to site. Children are not allowed to use cell phones or other electronic devices at the site. Cell phones must be put away upon arriving at the site. If you and your child need to be in contact for urgent matters, we will allow occasional use of the site telephone for short calls.

AZ Dept. of Health Services (DHS) Licensing

Peoria Unified KidZone is regulated by DHS, located at 150 N. 18th Ave. Phoenix, AZ, 85007, 602-364-2539. Inspection reports are available upon request and are in the licensing binder at each Peoria Unified KidZone location.

Insurance

Liability insurance is carried by Peoria Unified School District for each of our Peoria Unified KidZone sites, and documentation of the liability insurance coverage is available for review at each of these locations.

Pesticide Notice

The pesticides application schedule for each school will be posted on the parent board 48 hours in advance.

PROGRAM EXPECTATIONS

Parent/Staff Communications

The staff works as a team with the school and family to provide the best environment for the student's growth and development. Exchanges of information between parents and staff may take place both formally and informally. Information will be shared regarding issues that take place during children's time in Peoria Unified KidZone. Parents are asked to provide KidZone staff with changes occurring within the family, e.g. a sibling moving, a sick relative or pet, alterations in the parents' relationship, as this gives insight to a student's behavior or attitude.

District policy prohibits physical or verbal abuse or threat of harm to any person on property owned or controlled by the District or at supervised functions sponsored by the District. District policy also prohibits the use of speech or language that is offensive or inappropriate to the limited forum of the public school educational environment. Persons attending special functions shall confine themselves to the specific part of the facility assigned in the permit. Persons who engage in disorderly conduct of any kind may be subject to removal and exclusion from the facility.

Field Trips

Children need to be signed in at least 30 minutes before field trip departure time. As KidZone staff will not remain on campus during the field trip, students cannot be on campus during that time. Thirty minutes prior to our departure, the gates/doors will be locked. Children who do not arrive in time to attend a field trip may be brought to camp once we have returned from our field trip. Note: refunds will not be given if your child misses the field trip.

Families will receive prior notice for all field trip opportunities at KidZone. In order for a child to attend a field trip, a written permission slip must be signed by a legal guardian prior to departure. Field trip t-shirts and wristbands will be provided to all students for identification purposes. Water will be available on all school vehicles. Masks will be optional on school buses.

If there are safety concerns with a student attending a field trip because of their behavior, that student may lose their field trip privilege. KidZone employees will communicate any concerns with a student and their guardian(s) prior to the field trip.

Parent/Guardian Expectations

- Parents are responsible for communicating respectfully with KidZone staff members to maximize the effectiveness of the KidZone program.
- Notify the KidZone classroom staff in person or by calling the classroom if your child will not be attending on a contract day.
- Parents are responsible for keeping their child's records up to date.
- Parents are also responsible for paying fees on time as described in the KidZone Handbook.

- Parents are responsible for abiding by the handbook guidelines and the approved Financial Agreement. Please read the information presented in the KidZone Handbook and contact us if you have any questions at 623-773-6688.

KidZone Staff Member Expectations

- Staff members are responsible for communicating respectfully with parents and children to maximize the effectiveness of the KidZone program.
- Staff members will work together with parents/guardians to maintain open communication regarding insight into the student's behavior or any changes that may occur.
- Staff members will communicate any injuries or accidents with the parents/guardians.
- Staff members will provide activities that give participants the opportunity to explore new experiences that will expand learning in a supervised, safe and secure environment.
- Staff members will ensure compliance with the Arizona Department of Health Services regulations.

Student Expectations

- All children are entitled to a positive and safe KidZone learning environment. Therefore, children are expected to follow the rules and directions from the Peoria Unified KidZone staff. Children must be able to participate in a 1:20 staff to student ratio. Children are expected to behave in a way that ensures the safety of themselves and other children.
- When disciplinary action becomes necessary due to unacceptable behavior, staff will take into consideration the severity of the behavior, the age of the child and if the behavior has taken place repeatedly. Some appropriate consequences may include: a verbal warning, a brief "calm-down" period, loss of privilege, a written behavior report or possible suspension and/or expulsion from the KidZone program. If program administration determines that a child cannot benefit from the KidZone program or presents a danger to his/her self or other children, the student may be withdrawn from the program.
- Extreme behaviors such as hitting, biting, spitting, kicking, etc.; abusive language; disrespect to staff (verbally or physically by child or parent); attempts to leave or leaving the program without permission; repeated offenses within the same day or those behaviors that put a child or others in danger will accelerate the disciplinary process. Repeated inappropriate or aggressive behavior with multiple suspensions will lead to removal from the KidZone program. The re-admission of a student into the program will be done at the discretion of the program director.

The Peoria Unified School District KidZone program reserves the right to remove a participant from the program at any time without notice; if this occurs, the District will provide a prorated refund of the program fees that were remaining on the balance.

Children with a Disability or Impairment

If your child has a disability or impairment, please provide IEP/504 accommodation paperwork to ensure a plan for successful participation. Accommodations will be provided to afford a student with a disability or impairment meaningful access to the KidZone program, unless demonstrated that the accommodation would be a fundamental alteration in the nature of the KidZone program or constitute an undue financial and administrative burden. Any student, including students with disabilities, may be removed from KidZone if that student, even with reasonable accommodations, compromises the safety and/or successful participation of students and staff.

Peoria Unified School District does not discriminate on the basis of race, color, national origin, sex, age, or disability in admission to its programs, services, or activities. The right of a student to participate fully in the KidZone program shall not be abridged or impaired because of race, color, religion, sex, age, national origin, and disability, or any other reason not related to the student's individual capabilities.
