

## 5th Grade Class Suggested Supply List

As you know, your student will be transitioning between classes this year for Language Arts, Math, Science/Social Studies and Specials. In order to ensure the transitions, go smoothly and your student is prepared for each class, the 5th grade team has itemized a list of supplies they will need to keep them organized. Your student will need the following items in class on the first day of school. **Please DO NOT purchase any other items that are not listed as they will not be needed.** Students will be carrying their supplies with them in their backpacks therefore, additional items will just get in the way and make their bags overloaded. Any other items purchased that are not on this list will be sent home for use during homework or projects.

We sincerely appreciate all your help!
