Dear Sky View Families,

Sky View is a school-wide Title I school. This means we are able to provide reading and math support for all students and teachers. Schools receiving school-wide Title I funding are required by the state to have **all** students, parents, and teachers complete the attached Statement of Commitment form. Please read over the compact form.

To find out more about school-wide Title I funding, you may contact our Title 1 coordinator, Mrs. Margie Young, or administration.

We appreciate your support.
