Second Grade Wish List

Dear Parents/Guardians,

Below is a list of community supplies that we need help with replenishing throughout the school year. Students will be provided with many individual items at the beginning of the school year so that should help save money for back to school shopping. The list below is optional items but are greatly appreciated in supporting our learning.

- **Glue Sticks**
- **Hand sanitizer**
- **Dry-erase markers (black)**
- **Zip lock bags (Sandwich, quart, gallon size)**
- **No. 2 pencils**
- **Erasers (pink or pencil toppers)**
- **Highlighters (any color)**
