

Dear Parents and Second Graders,

The second grade teachers would like to welcome you to second grade! Here is a list of the supplies that would be helpful for each child to have. Many of these items can be purchased on sale during the summer! Please put the supplies in a bag labeled with your child's name. We would also like student names on the inside of the folders and the notebooks. It is best that the students bring their school supplies during "Meet the Teacher Day" in August so that we can get things organized before the first day of school. Thank you! ☺

Needed:

- ❖ 5 **PLASTIC** pocket folders: Red, Blue, Yellow, Green, Orange
- ❖ 1 set of headphones (to use in the computer lab)
- ❖ 4 composition notebooks wide ruled in any color or with any design
- ❖ 2 boxes of Crayola crayons (24 count box)
- ❖ 8 glue sticks
- ❖ 2 packages of #2 pencils that have been sharpened - We would love Ticonderoga brand if possible. Many other brands break easily. (no pencil sharpeners please)
