

**October 2021**

Hello, Graduated Senior and Parent/Guardian:

Congratulations on your graduation this past May of 2021. This is a note to you and your parent/guardian that will serve as a “heads up” about the Peoria Unified School District (PUSD) getting in touch with you.

We are required to report career and technical placement information to the Arizona Department of Education each year for graduated students who participated in a Career & Technical Education (CTE) program for two or more years. The information we acquire from you is kept confidential and your responses help increase the amount of money the State of Arizona provides to PUSD’s CTE programs. This grant funding is then used to improve the school’s programs through the purchase of equipment and technology for CTE classrooms and help maintain classroom software licenses so that CTE students can continue to experience authentic, hands-on, career focused learning.

We will try to contact (via phone, email, social media, etc.) the recently graduated senior to ask what they are now doing in terms of school, the military, or employment. If we cannot reach the graduated senior, we will then contact parents, siblings, or relatives. You can also complete the survey by filling out the form on the next page. Completed surveys can be emailed to [inagy@pusd11.net](mailto:inagy@pusd11.net) or mailed to CTE at 6330 W. Thunderbird Rd. Glendale, AZ 85306. The survey is also available online at <https://www.peoriaunified.org/ctegrad>. You may go directly to the webpage using the QR code below and click on the survey link in English or in Spanish to complete.

If you receive a call from the Peoria Unified School District about what the recently graduated senior is now doing, please take the call so we can gather this simple information, as our budget annual approved budget by the state is based on this data.

Sincerely,

*Barbara Coakley*

Barbara Coakley  
Career & Technical Education Director  
Peoria Unified School District
