Dear Parents-

This year each student will have their own pencil box with their basic supplies in it. This will help them each learn to be responsible for their supplies and the most important lesson in kindergarten- taking care of our own things!

Please note the few things on your child's supply list that I ask you to label with their name. All other supplies DO NOT need to be labeled. However, if you can PLEASE mark each twistable crayon with your child's initials on the end of the crayon I would appreciate it! This saves me from constantly trying to figure out whose crayon was found/lost!

I will arrange their pencil boxes and mark things with their names. The leftover items will go into storage for refilling as needed. Please bag up all of your child's supplies and bring it to Open House. It will go into your child's cubbie and I will sort and prepare everything for the first day of school.

Thanks for your help!
