

AIAcademy / NFHS BRAIN BOOK

All student-athletes must complete the Brainbook Concussion Education course and receive a passing grade of at least an 80% or they will be required to retake the quiz.

Students will see an electronic certificate once they have passed with at least an 80%. They must submit this certificate in one of these two ways:

- a- Print the certificate and turn it in to the Athletic Office
- or b- Save the certificate as a pdf file and submit on www.registermyathlete.com

Athletes are required to complete the Brainbook Course only **once** during their four-year high school career.

To complete the Concussion Brainbook Course and Quiz:

1. Go to <http://aiaacademy.org/users/login/brainbook>
2. Click register as a student on the Login page.
3. Fill out the account creation information and click the appropriate school.
4. Select the sports you would like to participate in.
5. Click register.
6. Once registration is complete – Return to Login page and log in.
7. Complete the pre-quiz.
8. Answer all of the questions as they go from page to page.
9. Complete the quiz at the end of the course with a passing score.
10. Submit your certificate.

If you have previously completed the Brainbook Course and received a passing quiz grade, please provide the following information:

Name _____

School _____

Year Completed _____
