# Future Flight

## Scholarships, Scholarships, and More Scholarships

It is that time of the year when seniors are contacting me and looking for additional scholarships. There are a number of scholarships still out there and I will always encourage students to continue to apply. This issue will highlight a number of scholarships still available. Work hard on completing as many scholarship applications as you can.

Below are links to our two favorite websites to find hundreds of scholarships. Start by looking at the ones that have the earliest deadline. Keep a log of all of your applied scholarships. We hope to see many scholarships in your future.

### Bodie McDowell Scholarship

Named in honor of former OWAA President Bodie McDowell, these scholarships are awarded annually to three or more students. Each year is different, but individual awards range from \$1,000 to \$5,000.

Candidates should have clear, significant goals in outdoor communications, examples of work and letters of recommendation. Academic achievement is considered but is not among the top three selection criteria.

Recipients must be students of outdoor communications fields including print, photography, film, art, poetry or broadcasting. Application open Jan. 1 - Mar. 1 for the upcoming academic year.

[The AWS Foundation](#) will award more than \$1.5 million in scholarships in 2021!

If you are currently enrolled, or will soon enroll, in a welding program or a related field, then consider applying for our scholarships. Scholarships are available for students attending trade schools, community colleges, and four-year universities. An AWS Foundation scholarship can be the extra push that helps you fulfill your goals!

**AWS Foundation Scholarships are for tuition, fees, books, supplies, or equipment required for the course of instruction. Scholarship awards will be sent directly to the academic or training institution.** Applications for 2021-2022 National, District, and Section Scholarships are now open.
