Online RSVP Due by Wednesday, March 3rd

Dear Sophomore Coyotes,

You are receiving this letter because you registered for the Pre-ACT. Initially, Centennial intended to offer the Pre-ACT on the same day that juniors complete the ACT. However, due to an updated AzMERIT testing schedule, the Pre-ACT cannot be offered during a school day.

Instead, we have arranged for a weekend option to complete the Pre-ACT: Saturday, March 6th

The ACT is a nationally-recognized test that assesses your likelihood of succeeding in college-level courses. If you intend to go to a college or university, the ACT may be the most important test you will take as a high school student. That’s because students who perform well on the ACT are more likely to be admitted into selective universities and more likely to receive significant scholarship money in Arizona and nationwide. You made a smart decision to sign up for the Pre-ACT.

The Pre-ACT will familiarize sophomores with the content, difficulty, and format of the actual ACT. Evidence indicates that sophomores who complete the Pre-ACT achieve higher ACT scores one year later as juniors. The ACT is required for all juniors; **the Pre-ACT is optional for sophomores.**

While a grant allows Centennial juniors to complete the ACT free of charge, the Pre-ACT costs \$14.00, which you may have already paid in the Centennial Bookstore. The \$14 fee covers the costs associated with shipping the test to be graded and returned to Centennial.
