IMPORTANT INFORMATION:

****Parent Connect (a.k.a. Parent University) is Monday, October 18th in the library. Please contact our receptionist, Nicole, at 623-412-5000 to reserve your spot. This is a time for us to grow together as parents of teens. Dinner is always served and is free. This month, our very own Venom House Culinary will be treating us. I can't wait. We meet from 6:30 p.m. to 8:00 p.m. Our topic this month will be how to respond to our kids when they trigger us. We hope to see you there!**

***Calling all Seniors and their parents to our Fall FAFSA Event! Why is the FAFSA important? It will help you pay for trade school, tech school, community college or a university. I don't know about you, but I am not independently wealthy, so scholarships and grants were critical for me attending college. Not sure if you qualify? We will help you with that. On Saturday, October 23rd, at 9:00 a.m. in our library, we will have a representative here to walk seniors and their parents through the FAFSA application process. Fresh baked cinnamon rolls will be served, so if you are unsure about the FAFSA, come for the cinnamon rolls.**

***On October 25th, we will be hosting the District's CTE Night for all 7th through 10th graders and their parents in the district. Come "try out" the different CTE programs that we offer. It is a great opportunity to get a first-hand look and test your mettle in non-traditional careers. We would love to have you here. It goes from 6:00 p.m. to 8:00 p.m. and will begin in our Auditorium. So bring the family to an interactive night of exploration and fun, and best of all, it's FREE.**

***The PSAT testing date has moved to October 26th.**

***Homecoming theme this year is Disney. Homecoming events:**

- * November 4th Homecoming Bonfire: 7— 8:30 pm
- * November 5th Homecoming Assembly: 8:30— 10:00 am
- * November 5th Homecoming Football Game 7:00 pm (Senior Night);

ATTENDANCE :

- A parent may excuse up to 5 tardies (1st) hour, but the parent must escort the student into the attendance office to do so.
- We will be adjusting our tardy policy starting Monday, October 4th. Any student who is habitually tardy, five or more times, will be given a lunch detention. Tardy seven and eight will result in two days of after school detention. Tardy nine and ten will result in Saturday school. After that, students will be in danger of losing credit for their class and will be put on an attendance/appeal contract. Suspensions may also follow. Parents will be contacted by our Intervention Specialist, Joseph Ortiz, should their student earn a detention, whether lunch, after school, or a Saturday.

PUSD maintains a closed campus during lunch period at all District high schools. High school students may not leave campus for lunch unless they have their parent, legal guardian, or authorized emergency contact person sign them out of school in the attendance office for their assigned lunch period. To ensure a safe school environment, the school will not accept food delivery services such as Uber Eats, Doordash, Grubhub, Postmates, or pizza delivery.
