

ARIZONA ROAD TRIP

Learn more about preparing for college at an Arizona Road Trip program.

Pack your bags and join us for a Road Trip! We invite you and your students for a special campus visit program designed for students in 9th-10th grade. Students will learn about the college-going journey, hear from our partners at The A Center, and explore how to pick a major that aligns with their goals. Each guest will leave with their own custom roadmap to college and the tools needed for the journey ahead!
