

Are you a student who is passionate about **MUSIC** and **HELPING OTHERS**?

Please join us for an engaging presentation as part of the Western Region Chapter of the American Music Therapy Association (WRAMTA) Annual Regional Conference:

An Introduction to a Career in Music Therapy for Prospective Students

Presented by:

Karen Sanchez Staedler, PsyD, MBA, MT-BC

Eugenia Hernandez Ruiz, Ph.D., MT-BC

Saturday, April 5 from 11:15am-12:15pm

DoubleTree by Hilton Phoenix-Tempe

2100 Priest Dr., Tempe, AZ 85282

Join us for a special presentation for prospective music therapy students. This session is designed for high school students (or other professionals) who are curious about a career that combines both a love for music and desire to help others. Discover how music therapy can be a meaningful and rewarding path, and how you can get started today. **Join us for the entire day** and get a chance to learn about the profession of music therapy, meet professional music therapists and educators, and get your questions answered. The day will include a panel for prospective music therapy students.

One-day Registration Special for Prospective Music Therapy Students - only \$25

Register at the link below (or visit the WRAMTA website at www.wramta.org):

[WRAMTA 2025: Reconnect and Rise](#)

This presentation is part of an action plan of the American Music Therapy Association Workforce Development and Retention Committee. For questions, please email karen.sanchez@pacificresiliency.com
