

MET Ambassadors

MET ambassadors are student representatives that feel comfortable and confident in being leaders while in the MET program. Ambassadors will be regularly called upon to represent the MET student voice and to share the MET program model with others. The MET ambassador must be willing to learn about the four MET strands and be able to articulate the overall program goals.

Key Responsibilities:

- ◆ Meet with Mr. Eichenlaub bi-monthly to discuss programs and ideas for continued improvements
- ◆ Communicate with MET student groups for opinions, ideas and feedback
- ◆ Research and set up community service opportunities for MET students throughout the school year
- ◆ Present information about the MET with business, post-secondary and community partners
- ◆ Plan inter-strand MET events
- ◆ Volunteer to work MET events such as open houses and career days
- ◆ Promote a sense of community at the MET

Serving as a MET ambassador will provide you with the opportunity to take a leadership role, practice your communication and collaboration skills and directly contribute to continuous improvements at the MET Professional Academy.

If you are interested in becoming a MET Ambassador for the 2021-22 school year, please answer the questions on page 2 and email them back to Mr. Eichenlaub, ceichenlaub@pudsl.net, by Wednesday, September. 22nd.
