

Centennial High School
NOTIFICATION OF TRUANCY AND TARDY RULE
CONCERNING PARKING PRIVILEGE

Student Name: _____
Last First

We are making a special effort to encourage punctuality to school and minimize classroom interruptions. Uninterrupted time on task is important to the learning process. Students who are late to school or who leave school without authorization disrupt this process. ***The designated parking spots will be assigned in order as received. Spots become more limited toward November. We will check for availability again in January for spots of students who graduated early or withdrew.***

To emphasize the importance of being on time to school, remaining at school, and attendance in school, a student’s parking privilege may be suspended for the remainder of the semester for violations of Centennial’s tardy policy, unauthorized departure from campus, or truancy from school. The suspension of parking privileges will extend for at least forty-five (45) school days. If the semester has less than forty-five (45) school days remaining when the suspension occurs, the balance of the suspension will be served at the beginning of the next semester. At the conclusion of the suspension of parking privileges, the student may reapply, if spaces are available. We are not permitted to refund the cost of the parking permit should parking privileges be revoked.

Parking is limited and carpooling is strongly suggested.

We solicit your support and help in this matter. Please sign below and return with the parking application.

We have read and understand the stipulations of this notification.
