Frequently Asked Questions

- **May I leave campus during free periods or during lunch?**
NO! Your parking privilege does not change the Peoria Unified School District "closed campus" status. You are not able to leave campus at any time during the day until your class schedule has been completed for the day or you have received a pass authorizing you to leave.
- **Do I have to show my student ID to the security staff every time I leave?**
YES! Thousands of students enter and exit the student parking lot every day. Schedule changes, appearance changes, etc., make it impossible for staff members to keep a mental record of your personal schedule. Please be considerate and show your ID card every time you need to leave campus. It is your responsibility to keep your ID card with you at all times. Failure to show current/updated I.D. & visible parking pass could result in possible revocation of parking spot.
- **If I am emancipated, can I sign myself in and out several times during a single day?**
NO! Part of the responsibility you assume in requesting Emancipated states includes following proper sign-in and sign-out procedures. You must have a pass from the front office before you leave the parking lot. If you leave on other personal business and return to school the same day, documentation of attendance at your area of personal business must be shown or you are not allowed to return and the remainder of the day will be unexcused. Such documentation would include: doctor/dentist note, car repair bill (dated), etc. No handwritten notes of any kind for any reason are acceptable. You may not leave campus to avoid being "swept" if you are tardy to class; you may not leave campus for lunch, and then return. The above parameters will be strictly enforced.
