

High School Distance Learning Platforms

Teachers will primarily utilize Florida Virtual to deliver course content. Where aligned Florida Virtual courses do not exist, teachers will utilize existing Peoria E-Campus Moodle courses or, in a few instances, existing Edgenuity courses. These learning platforms provide resources to support teachers and enhance instruction. They also allow for blended learning when we return to buildings. **When students return, teachers will continue to utilize the below platforms and their pacing**, in case of further closures and to support students in the event of illness. For courses that do not exist in any of the above-mentioned platforms, teachers will work with site and district administration to choose either Moodle or Synergy and then build and deliver their content on the chosen platform.

Florida Virtual School (FLVS)	Peoria E-Campus (Moodle)	Edgenuity	Teacher-Created Moodle or Synergy
English Language Arts			
English I, English I H, English II, English II H, English III, English III H, English IV, English IV H, College Prep English H, AP Lang & Comp, AP Lit & Comp, Journalism			Read180 and SEI (Use Program & Teams), Yearbook, AP Seminar, All AIM Courses, Creative Writing, Newspaper
