IRONWOOD PARKING AWARENESS STATEMENT

- 1) Purchasing a parking permit guarantees a parking space each day. You will be assigned a numbered spot. **Student parking is limited to your spot only. Parking in the faculty/visitor lots or in spaces designated for staff may result in your parking privilege being revoked.**
- 2) Parking permits are to be hung on your mirror, facing out.
Lost permits are not replaced. Parking passes are non-transferable.
- 3) Glendale Police Traffic Services monitors the IHS parking lots on a very regular basis. Cars parked in designated "No Parking" areas will be ticketed. These tickets are solely the responsibility of the driver.
- 4) The parking lot is a convenience facility provided by Ironwood High School.
Students use it at their own risk. Unfortunately, theft, vandalism, and accidents do occur. **Ironwood High School is not responsible for any damages.**
- 5) As noted in the Ironwood High School Handbook, given "Reasonable Suspicion" vehicles entering on Ironwood High School property may be searched by school authorities and/or law enforcement personnel. Following notice of intent to search, the vehicle will not be permitted to leave the premises without permission.
