

Dear families of Senior Coyotes,

After speaking with many of you about difficulties a few of you had with visiting Prestige Photography for your Senior to be photographed for the yearbook, we have worked with the studio and have hopefully found a solution. On Friday, November 13, Seniors who have yet to be photographed by Prestige Photography, will have an opportunity at school to have their picture done. Students not yet photographed will have the opportunity to visit a photographer on Centennial's campus throughout the day in a socially distant environment organized by student last names to guarantee he or she will be a part of this year's yearbook. Likewise, for any seniors that take online classes, you will have a special time after school from 2:30 to 4:00pm to be pictured. This will be the last chance for seniors to be photographed for this year's yearbook.

Likewise, we'd like to remind you of some other important yearbook information:

Yearbooks on Sale

Yearbooks orders are currently available both online and in our book store. Please note that due to COVID-19, we are highly encouraging families to pre-order yearbooks this year to guarantee a copy of the book. Only 50 additional copies will be made for sale in May and we will not be able to guarantee anyone a copy if you wait until May.

Currently the books are being sold for the district-specified price of **\$70**. Students may choose to upgrade their yearbooks by purchasing engraving of his or her name on the cover of their yearbook. This is an additional **\$5** charge. Engraving is only available for a limited time, so act fast. The price of yearbooks will be increasing in the new year; so act now to guarantee the lower price.

You may visit our book store on campus and purchase with cash or credit card, or visit the following link, [Josten's Yearbooks](#), and purchase one digitally.
