

Good Morning Centennial Families,

This coming Monday evening at 6:00pm, Centennial will host its semiannual Meet the Teacher Night, offering parents and guardians the opportunity to virtually interact with their Coyotes' teachers. Each will preview the semester's learning, online platforms, and major projects, while providing contact information, tutoring hours, and more.

The evening will begin with a live welcome and instructions from administration, via [this link](#). Then at 6:10pm, parents will begin following their student's schedule, joining online meetings using the individual hyperlink each separate teacher provides in Monday, August 17th's Course Content, in ParentVUE.

Please log into ParentVUE and [use these directions](#) to find the Monday meeting links from each of your Coyote's teachers.

Meet the Teacher Bell Schedule

6:00pm	Administration Welcome and Instructions	Click Here at or before 6:00pm
6:10 – 6:18	1 st Period	See Instructions Below for Meeting Link

Internet and ParentVUE access will be essential for joining us on Monday. If you do not yet have a ParentVUE account, please contact Centennial's Student Information Systems Coordinator, Ms. Robin Konderik, at 623-412-4421 or RKonderi@pusd11.net.

We look forward to interacting with you on Monday evening to share the meaningful learning experiences that teachers are planning for your Coyote! Please call our office if you have questions. Have a great weekend!
