

## Centennial Fall, Winter, and Spring Athletics – November 8<sup>th</sup>, 2020

The Centennial Athletic Department and our coaching staffs have been fielding many questions recently regarding fall, winter, and spring athletics. The fall season will continue as scheduled. The cross country, football, and volleyball teams are currently competing in regular season and postseason competitions. The start of the winter athletic season has been postponed due to the increase in COVID numbers in Maricopa county. The AIA winter athletic season includes basketball, soccer, and wrestling.

Please see the link below for the press release from the Peoria Unified School District concerning the start of winter athletics.
