LIBERTY HIGH SCHOOL

CLASS OF 2023

Frequently Asked Questions:

What do I do if I am behind on credits for graduation?	Students behind on credits should meet with their counselor ASAP to make a Graduation Plan. Counselors work with students and parents to map out a plan for recovery.
When do I need to take my senior yearbook picture by?	Contact Grads Photography to get your headshot taken for the yearbook. You must do this by 12/17/22. You do <u>not</u> have to do your senior pictures through them - just get the FREE headshot for the yearbook. https://bit.ly/lhsgradphoto (623-580-4723)
Which tests are required for graduation?	The state requires every student to pass an American Civics Test. This is a 100-question test and students must get at least a 60% to pass. Most students already took and passed this test (it is noted on the transcript). Study materials and information about the test can be found on the state website at: https://bit.ly/studycivictest
What are the 16 core University Admission requirements?	Students must have C's or better in their core classes to attend the in-state Universities. This includes: 4 English credits, 4 math, 3 Science, 2 Social Studies, 2 World Language credits, and 1 CTE or Fine Art. Students planning on going out-of-state OR to a private college (like GCU) should check the admission requirements with the school directly. Please note that NAU recently made foreign language credits optional.
Should I re-take the ACT/SAT?	<u>Only</u> students planning to go straight to a 4-year University right after graduation need an ACT/SAT score. Scores can be used for admission if the GPA is not acceptable. Typically, the score is used for scholarship awards. Students planning to go to a Community College first do <u>not</u> need an ACT/SAT score to attend; just your HS diploma.
When should I apply to colleges?	The earlier the better so you and your family can start planning. See Senior To-Do list document for more detailed information.
Am I eligible for a waiver for the University Application fee?	There is a household income cutoff based on the number of people in your family to qualify for a fee waiver. <u>Example:</u> a family of 4 that makes < \$45,500 is eligible for the waiver for in-state college application fees <u>and/or</u> NCAA fees. Students who are on the free/reduced lunch program do qualify for the fee waiver.
How do I know what college classes to take?	Check the University website to find a Program of Study for your major. You will meet with a college advisor to help with selection of classes.
I am interested in playing college sports, what do I need to do next?	Talk to your coaches and counselor first. If you are planning to play at a Division I or II school, you must be "registered and cleared" before you can talk to college coaches or go on visits. See NCAA/NAIA website for more details.
How do I find scholarships? When do I apply?	There are many types of financial aid, including grants, loans, and scholarships. You should check the scholarship portal in Student Vue and actively be researching and applying for scholarships ALL year. There is a scholarship search under Financial Resources in Major Clarity. Check with the Career Center for good websites that you can look at. You should <u>NEVER</u> pay a website to look for scholarships. Check out our LHS Guidance website for scholarship information. https://bit.ly/lhsguidance
How do I request transcripts?	You can now send your transcripts to colleges for free through your Major Clarity account. Log on through PUSD Educational Resources page and choose the Major Clarity icon to sign into your account.

How do I stay updated throughout the year on senior events?	Most information will come to students in their classes and this information <u>should</u> be shared with parents. Counselors will also reach out via email to parents after giving students information. Facebook is a GREAT way to stay up-to-date with all things going on at LHS. You can also reference the LHS Guidance Senior Teams page for presentation, links, forms, and more.
