

2021 Summer Achievement Academy

Mondays through Thursdays: May 24th-July 1st

7:20-10:20am at Centennial High School

This summer, Centennial High School will offer freshmen and sophomores the opportunity to improve their core class grades and re-learn essential skills they may have missed as a result of COVID closures. This is an option for freshmen and sophomores who have attempted one of the below core courses and earned a C, D, or F and would like to improve their grade. The Summer Achievement Academy is FREE of charge, and our district will provide breakfast and lunch, as well as transportation, for current bus riders only.

Teachers may deliver instruction in a blended model, combining face-to-face instruction with digital content tools. Students will complete pretests to help the teacher determine which essential skills each student needs to develop, and students will earn grades based on coursework, assessments, and any additional whole class/small group activities the teacher assigns. At the end of the shortened course, students will complete the district course assessment, which will account for 20% of their final grade.

Parents may sign their Coyote up for one or two courses, but parents who choose only one course will need to provide transportation since buses will only run prior to the 7:20am start and after the 10:20am dismissal. Final grades will post in the summer term, and students' previous lower grades will no longer calculate into their grade point averages.

Registration

Student Name:	Student ID:
Grade:	Counselor Name:
Parent/Guardian Name:	Parent/Guardian Email:
Are You Currently Eligible for Bus Transportation? <input type="checkbox"/> Yes <input type="checkbox"/> No	Do You Plan to Utilize Bus Transportation? <input type="checkbox"/> Yes <input type="checkbox"/> No

I am interested in registering for the following course(s):

Mathematics	Language Arts	Science
<input type="checkbox"/> Algebra I	<input type="checkbox"/> English I	<input type="checkbox"/> Biology
<input type="checkbox"/> Geometry	<input type="checkbox"/> English II	

By signing below, our family commits to the May 24 – July 1st Summer Achievement academy courses identified above. We understand that 90% or greater daily attendance is required for students to receive credit. Students who miss more than 2 of the 23 school days may be dropped from the class, without the opportunity to earn credit. Transportation is available only to currently-eligible bus riders. Parents must provide transportation if their student is not eligible to ride the bus or if their bus rider signs up for only one class. Students who sign up for only one class may not wait on campus, unsupervised.
