PEORIA

Student Portal

Every stu

. Audents can now sync their Microsoft OneDrive account to a district device. Syncling allows students to easily access files and turn-in assignments to any web-based programs such as Synergy, Teams, and Moodie as well as eliminates the need to save files...

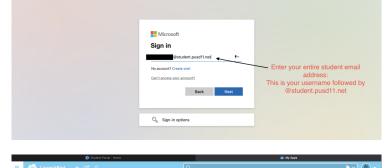

Y — Killy Neesen When accessing the Internet at school on personal devices, such as cell phones, students must u NET. Use your PUSD Username and Password to authenticate. (Please refer to the student hand
