## 2023-24 Traditional + 2nd hour eCampus option

All students will automatically be registered for the 23-24 school year on the traditional school day unless they apply to do otherwise.

If you are wanting the traditional 7:20 a.m. to 2:20 p.m. schedule, you do not need to complete this form.

Students wishing to apply for the traditional schedule plus a 2nd hour eCampus option need to complete the following:

### Parent / Guardian and Student Initials:

If a student signs up for a 2nd hour eCampus course, they are expected to keep it for the whole 2023-24 school year. They may not be able to get in the same classes originally requested in person.

Parents and students understand that they are supplementing their full-time enrollment with one eCampus course per semester, and will need to do an additional eCampus registration to complete the enrollment process for online classes.

Students participating in a 2nd hour eCampus course must stay on campus during 2nd hour. Liberty High School will provide a quiet learning environment for students to complete their coursework. During this time, there will not be direct instruction but instead staff will be there to provide supervision.
