2024-2025 Elective Course and Optional Fees

Student ID Number: _____

Dear Centennial Parents and Guardians:

Welcome to the new school year! At the bottom of this email, please find a list of the [Governing Board-approved fees](#) for the elective courses your student selected for the coming school year, as well as any remaining debts from previous school years. **Please arrange to pay all fees by the registration deadline of Tuesday, August 6th.**

If you feel your student has been mistakenly enrolled in an elective course, please contact or visit your student's counselor on-campus July 29th (seniors), July 30th (juniors) or July 31st (sophomores and freshmen). Counselors will be available from 7:30 to 11:00am on these days to address scheduling errors only. Any resulting course changes could lead to fee changes reflected as credits or new debts at the start of the school year.

Two Easy Payment Options

1. ONLINE PAYMENT (CREDIT OR DEBIT CARD)

Click the “Pay Online” button below or use the hyperlink <https://az-peoria.intouchrecepting.com/signin> to pay via the Touchbase Online Payment Portal. Parents must use their ParentVue username to access Touchbase and will create a unique password during their first use.

2. FRONT OFFICE DROP-OFF (CHECK OR MONEY ORDER)

Our office is open on weekdays, 7am to 3pm, between July 27th and August 6th. Please print this email and drop it off with a personal check, cashier check, or money order payable to "Centennial High School." *Please write your student's eight-digit ID Number on the check or money order and sign on the signature line.* You can find your student's ID number at the top of this email or in ParentVue. Our Bookstore will email a receipt to the parent email address on file.

Optional Items

Online, you can add any of the below items to your 2024-25 fees. If you instead choose to drop off a check payment on campus, please print this email and X the items you choose. Please provide a **separate check to pay for these optional items**, which can also be purchased after the beginning of the school year. Please keep in mind that no optional items can be purchased until outstanding or required fees are first paid. **Junior and senior parents will receive a SEPARATE and process for parking permits and fees.**

The opportunity to attend school, complete required course work, or earn required credit during the regular school day is not contingent upon payment of any optional fee/material charge.
