Schedule:

- The morning bus pick up for 11th grade test takers will be normal times.
- All 10th and 12th graders will not attend school and will complete learning online from home on April 1st and 2nd. Students will be provided with assignments from their teachers that they will turn in electronically. Juniors (and freshmen taking the ACT ASPIRE) will be exempt from the class work since they will be testing on both days.

Before Testing:

- Students who may be attending college need to create an account on **myact.org** to access score as soon as they are available and send score to four colleges of their choice for free. Students can sign up for a workshop to complete this step. It is strongly recommended to attend workshop rather than completing it on their own at home as there are some questions about transcripts, courses, and other details a school official will be able to help with.
- Room assignments for both testing days will be posted on Monday, April 1st outside by grand staircase, by the library and in the courtyard by the admin building.

Day of the Test:

- Arrive in assigned testing room before 7:20am. Students who arrive late will be sent home.
- Must have school ID or StudentVue to check into testing room.
- Students may bring an approved calculator for the ACT Math test. [ACT CALCULATOR POLICY](#)
- Students may bring plug-in headphones for the AzSCI test *only*.
- Phones, airpods, and smart watches will not be permitted during testing, breaks, or lunch.

Students must have a school-issued laptop, fully charged for testing. It is extremely important that students sign into the computer while on school Wi-Fi prior to the testing dates to ensure that all updates have been installed.
