Dear Lion Students and Parents,

The Arizona State Board of Education has mandated state testing to **all 9<sup>th</sup> and 11<sup>th</sup> grade** students this spring. On Tuesday, April 1<sup>st</sup>, the ACT will be administered to **all juniors** and the ACT ASPIRE will be administered to **all freshmen**. On Wednesday, April 2<sup>nd</sup>, the AzSci test will be administered to **all juniors**, while **all freshmen** will complete day two of the ASPIRE test. The exams must be taken on school-issued laptops. *A separate letter will be sent out to all 9<sup>th</sup> and 11<sup>th</sup> grade students and families with details for the testing dates.*

**All 10<sup>th</sup> and 12<sup>th</sup> graders** will have virtual learning days on April 1<sup>st</sup> and 2<sup>nd</sup>. Students will stay home on both days and be provided with assignments from their teachers that they will turn in electronically. They will not be required to meet with teachers online at a certain time as a class, but they will have to complete an assignment to turn in so that we can account for all student attendance on those days. **Freshmen and Juniors** will be exempt from the class work since they will be testing on both days.

It is vital that your student has a school-issued laptop checked out prior to April 1<sup>st</sup> so that they can either participate in the state testing (9<sup>th</sup> and 11<sup>th</sup> grade) or work from home (10<sup>th</sup> and 12<sup>th</sup> grade).

**It is extremely important that students sign into their computer while on school Wi-Fi prior to the testing dates to ensure that all updates have been installed.**

Sincerely,

Erin Swindig  
Assistant Principal
