*Listen, Learn & Lead Tour with Dr. K.C. Somers
You’re invited! To ensure a strong foundation and to foster open dialogue with our students, staff, parents and community, Dr. Somers will host a series of engaging meetings across our school district, called Listen, Learn & Lead. Dates and Locations: 6 p.m. on Tuesday, April 23 | Raymond S. Kellis High School ~ 6 p.m. on Tuesday, April 30 | Liberty High School ~ 6 p.m. on Wednesday, May 1 | Livestreamed to YouTube Meeting links and additional information will be shared soon. We look forward to seeing you there!

April Safety Topic | Stay Connected in a Crisis
The ParentSquare and StudentSquare apps will always be your first and best source for information in an emergency, rather than school’s front office staff. In fact, staff are instructed not to answer the phones when our emergency plans are activated so that they can focus on the safety of those around them. When parents and community members call, it clogs the phone lines that may be needed during an emergency to speak to police, fire, or other school and district administration. In addition to receiving crisis communications via the app, you can also update your notification and language preferences by downloading the app. To download, search “ParentSquare” in the Google Play and App stores.
