Absences – please see ParentSquare for absence messages and information

Parents should call the attendance line 623-486-6305 to report whole-day absences. Only absences reported within 24 hours can be excused. *Attendance matters and is vital to your student's success.*

Student Drop Off Reminder

We want to remind you of our parking and drop-off procedures, so we can make our 1st week of second semester run smoothly. All Gates along Cholla St/Varney Rd are labeled and visible for all people to see.

Gate 1 is an **EXIT** only, *please do not turn into Gate 1.*

Gate 2 will be open to staff parking and students who have purchased their parking pass. *Any new drivers need to see Bookstore for a parking pass.* Please make sure your 2024-2025 permit is visible with the number showing out on the rear view mirror. We ask that you slow down and be mindful of foot traffic

Gate 3 will be closed.

Gate 4 will be open but will be used as an **EXIT** from the drop off lane. *Do not turn into Gate 4 and again please be mindful of foot traffic and look both ways before exiting Gate 4.*

Gate 5 will be open for **student drop off**. After students are dropped off, they will walk around the small gym and make their way to campus. *Remember please exit using Gate 4.*

StudentSquare

For students to be able to receive push notifications from staff or coaches, ask them to do one of two things:

1. Have the parents add their child's cell phone number in ParentVUE. To do this, they would open the ParentVUE app, click Online Registration (OLR) and they verify their contact information (address, phone, etc.). This will ask a parent to verify their contact information (this should be done annually), and in the verification process, there is now a spot for a parent to put in a student's cell phone number. – OR –
2. Have the student connect with the SIS Coordinator at the school and ask the SIS Coordinator to add the student's cell phone number in Synergy.

Make sure students download the StudentSquare app on their phones. Synergy syncs with ParentSquare overnight and that's how students can begin to receive push notifications.

StudentSquare

Download the StudentSquare app today and get updates from your teachers, coaches and advisors.

PEORIA

SAFETY FIRST

In Peoria Unified, safety is our top priority. Make sure you are able to receive messages about school safety by downloading the ParentSquare App.

Available on the Apple Store and Google Play

- 1 Download the App
Downloading the ParentSquare mobile app is the easiest way to receive all posts, events, sign up requests, photos and files.
- 2 Set your Notification Settings
You can select to receive message once per day via a nightly digest, instantly, or choose to turn off notifications (excluding emergency alerts and notices) for email, text and app notifications.
- 3 Set your Language Preferences
ParentSquare allows you to change your language setting so that you can receive posts in your preferred language under the "My Account" settings.
