Dear Prospective AP Testers,

Taking the Advanced Placement exams is an important part of all AP courses. Liberty High School desires that all students take AP exams for the AP classes that they have taken. Scoring well on an AP exam can often earn students college credit for their high school class, saving a significant amount on tuition.

For the 2024 AP exams, students at Liberty High School will be registering online. This registration will take a few minutes and can be completed from any computer with internet access.

Step 1: Register by November 11th, you must indicate whether you want to take the AP exam on the College Board website through My AP for each AP class. This is the website you joined with your AP teacher using a join code. <https://www.collegeboard.org/>

Step 2: This year each AP exam costs \$105.00. Liberty High School payable on the link below. LHS desires that every student be able to take their AP exams. Students requiring financial assistance should contact Mr. Mike Repak, mrepak@pusd11.net.

Online Exam registration is open for fall classes and ends on March 8, 2024 (for Spring classes) at 11:52 PM. In order to register, students should click on the link provided on the school website or visit TotalRegistration.net/AP/030208 to register. To complete registration, students must answer all the required questions. Registration is not complete until students have printed the pdf of the confirmation page that is provided at the end. We know that parents may desire to register their students for exams. We strongly recommend that parents and students are both present while registering to ensure that the correct exams are ordered.

Liberty High School is excited to offer families the convenience of paying exam fees online at the time of registration. Please be sure to have a **credit card or debit card available before beginning registration**. Paying online is a great way to make sure that payment has been made while avoiding mailing a payment.
