Off-Campus Program Opportunities

9/2024

Below are the off-campus programs available to Liberty students. All programs require an application or co-enrollment form that the student must submit to their Counselor to begin the process. All off-campus programs must be listed as alternates on the ECAP until the student is accepted.

PROGRAMS	DESCRIPTION	PROGRAM/CLASSES
CO-ENROLLMENT (PUSD SCHOOLS) CTE WORKS HTTPS://WWW.PEORIAUNIFIED.ORG/PAGE/6461	9th – 12th grade Liberty students may apply to take elective programs not offered on our campus at other Peoria High Schools. Students will attend LHS for 2-3 classes and go to another PUSD high school for an additional class(es). Most classes are offered during 1st and/or 5th period, ***and one-way transportation may be provided.*** Students must complete a Co-Enrollment Form and turn it in to their Counselor, signed by a parent to apply. Hard copies are available in the Guidance office and electronic forms can also be found on the Guidance website. **Applying does not guarantee a spot in the program and students are *usually* notified in May-June if they are accepted.**	• AJFROTC I-IV • Auto Technology I-IV • Construction • Cybersecurity • Intro to Fire Suppression/Selection • Fashion Design I, II • Robotics • Patient Care Careers/Nursing Asst. LAB • **See the complete list of off-campus programs on the reverse side!**
PEORIA UNIFIED SCHOOL DISTRICT PROFESSIONAL ACADEMY MET ACADEMY (PHS) HTTPS://WWW.PEORIAUNIFIED.ORG/MET	11th – 12th grade students may apply to go to the MET Academy which is located at Peoria High School inside Old Main. Most of these programs offer dual enrollment opportunities and partnerships with working professionals to prepare students for post-secondary education and careers in the STEM fields. Students attend LHS for their core classes and go to MET for their elective classes. Programs are offered in AM and PM and ***two-way transportation may be provided.*** Students apply online on the PUSD MET homepage and submit the completed/signed application to their Counselor. **Applying does not guarantee a spot in the program and students are *usually* notified in January if they are accepted.**	**STRANDS:** • Bioscience (One-year program) • Medical • Engineering • Technology • Global Business
West-MEC WWW.WEST-MEC.ORG	11th – 12th grade students can apply to a West-Mec program to take classes to train for a specific occupation or trade. Some programs are one-year, but most are two-years. West-MEC has multiple campuses located in proximity to PUSD schools, but ***all transportation is the responsibility of the student and parent***. Go online to www.west-mec.org for information on program requirements, locations, times, fees, and open house dates. Students apply online and submit the hard copy to their Counselor (signed by a parent). **Applying does not guarantee a spot in the program and students are *usually* notified in March-April if they are accepted.** ** One-year programs ** One and Two-year programs (both options available)	Aesthetics * Air Conditioning Technology * Automotive Technology * Aviation Maintenance Technology * Avionics/Drone Electronics * Biomedical Science * Coding * Collision Repair and Refinishing * Culinary Arts * Dental Assisting * Drone Technology * Electrical Trade Specialty Emergency Medical Technology * Energy & Engineering Technology * Environmental Sustainability * Fire Science * General Construction Technology * Hairstyling * IT Security * Law & Public Safety* Medical Assisting * Medical* Laboratory Science * Medium/Heavy Diesel Technology * Nursing Services * Pharmacy Science * Physical Therapy* Powersports Technology * Precision Machining * Veterinary Science * Welding Technology
