

# Dual Enrollment Online Admissions Guide

As a Dual Enrollment student, you have the opportunity to take college classes at your own high school after you have been admitted to a Maricopa Community College of choice.

Follow the instructions below to prepare and complete the Admission process along with remaining steps. To begin the process, go to <u>maricopa.edu/become-a-student</u>.

#### Make sure to have the following items ready before you begin:

- Full legal name
- Complete mailing address, including city and zip code
- A personal email address you have access to (Do not use your high school email)
- Social Security number (optional but highly encouraged for future purposes)
- The date you became an Arizona resident
  - Use your date of birth if you were born here and never left
  - If you moved to Arizona, use the month and year you arrived

To establish your lawful presence and verify your identity, you will be required to upload a clear and legible copy of **one of the following** acceptable forms of identification:

- Current Arizona driver's license, driver's permit, or Arizona state ID card
- U.S. issued birth certificate (**original copy only**) AND your high school ID (*Note: a hospital record/certificate and certified Abstract of Birth are not acceptable*)
- Current U.S.passport book or card (passport must be signed)
- Current Permanent Resident Card

View additional acceptable documents you can use to establish your lawful presence at www.maricopa.edu/lawful-presence

On the <u>maricopa.edu/become-a-studen</u>t webpage, click **Get Started** under the **High School Students** option.

#### 1. You will be asked the following:

- Do you have a Maricopa College Student ID number, Maricopa Student Email, and MEID?
- Or have you attended one of our colleges? (Chandler-Gilbert, Estrella Mountain, Glendale, GateWay, Mesa, Phoenix, Paradise Valley, Rio Salado, Scottsdale, or South Mountain)

**If your answer is Yes**, the system will redirect you to log in using your MEID and password under "Welcome Back to Your Admission Application" (This option is for returning students who have an MEID and password).

**If your answer is No**, you will need to complete an online Admissions form. Click the **No** button to begin.

# 2. You will be asked if you are in the United States on either an F-1 or F-2 or M-1 or M-2 visa? If you are, select Yes; if you are not, select No.

#### 3. Next, you will create your College Student Account.

- a. All fields marked with a black asterisk indicate required information.
- b. Once you click on Create Username, your temporary Username will appear at the bottom of the page, along with more fields that require information to create a password and a recovery question.
  - i. Pay attention to the requirements to successfully create your password.
  - ii. The recovery question verifies you are the legitimate owner of the account if you ever need to recover your forgotten password.
- c. Your Username is your MEID (Maricopa Enterprise ID) and will consist of letters and numbers. For example, BER3136136.
- d. Once the system has accepted the password and you have selected and answered the recovery question, click **NEXT**.
- e. You will be directed to the Personal Information page to continue with this application.

#### 4. Personal Information

#### 9. Processing Your Application

a. Once submitted, it could take up to 20 minutes to process your application. Please do not refresh the page, click the back button, or close the browser.

# 10. Change Password

a. The system will ask you to change your password, but you may use the same one that you created at the start of the application.

# 11. Welcome to Maricopa Community Colleges

- Congratulations and welcome to the primary college you selected. Record your Maricopa Student ID, MEID, and Maricopa Student email (write it down, take a photo, screenshot, or print the page).
- b. Once you have recorded your Maricopa Student ID, MEID, and Maricopa Student email, you may close this tab and proceed to Next Steps listed below.
- **c. Please note:** It may take up to 10 minutes for your MEID and password to synchronize with all Maricopa platforms.

# 12. Next Steps

- a. You are not done with the process for dual enrollment. Please work with the Dual Enrollment Coordinator at the primary college you plan to attend for class registration information.
- **b. Reminder:** If you still have not submitted clear and legible copies of your proof of identity documents, you may upload them to the Identity Authentication and Declaration of Citizenship or Status form. Your MEID@maricopa.edu and password are required to log into this form.

### **Student Center Account Information**

You will be able to view important information, such as your To Do List of tasks you need to complete and any holds preventing you from registering for classes, by visiting your Student Center at <u>maricopa.</u> <u>edu/student-center</u> and logging in with your MEID@maricopa.edu and password.

Click on the Tasks Tile to view your Holds and To Do List.

#### Holds

One or more Holds will prevent you from taking action until you resolve the condition that triggered it.

- A Current High School Student hold will remain on your account until you turn 18 and graduate from high school. However, each semester, your college will lift it temporarily to allow you to register for classes. The Under 18 hold will be removed once your parent or guardian completes the Parent/Legal Guardian Consent Form.
- A Blocked Services Hold means you have a debt of \$100.00 or more, which will impact class registration and college graduation until resolved.
- A Limited Services Hold occurs if you owe a debt under \$100.00. Class registration is allowed but other services are not permitted.
