Who is my Counselor? & How can I see them?

Peoria Unified School District
Good afternoon, Gehrig Nuttall, 11

COURSE REQUEST

Liberty High School (623-773-6525)
2022-2023 School Year, Grade: 10

Selection Time Period: 12/1/2021 - 12/10/2021
Counselor: Mike Repak

Selected Course Requests

	Credit
	1.000

Student _____ Date _____
Counselor _____ Grade _____
E-mail _____

Personal
 Academic

REASON FOR VISIT

- Schedule change (only allowed first 5 days)
- ECAP Registration
- TA/Tutor (Junior or Seniors only)
- Release Time (Seniors only)
- E-Campus registration/questions
- Transcripts (Officials through Records only)
- College questions (Career Center is awesome resource)
- Program questions (MET, West-Mex)

Other _____

Message for Counselor: _____

Objectives for today:

- 1. Check your Spring classes NOW to make sure you are in the right classes.**
- 2. Sign-up to get Guidance Remind Texts.**
- 3. Complete ECAP pre-registration for your Sophomore year.**

Check Spring classes

In Student Vue – Computer View

The screenshot shows the Student Vue web interface. On the left is a navigation menu with options: Messages, Calendar, Attendance, Class Schedule, Course Request, Grades, Report Card, School Information, Student Info, and Parent and Student Resources. A red arrow points to the 'Class Schedule' option. The main content area displays the 'Student Schedule for Term 3 (01/04/2021 - 03/05/2021)'. At the top right of this area are tabs for 'Today', 'Term 1', 'Term 2', 'Term 3', and 'Term 4'. A red arrow points to the 'Term 3' tab. Below the tabs is a table with the following data:

Period	Course Title	Room Name	Teacher
1	English II H	1-112	Ashley Leparulo
2	Chemistry	1-243	Colin Apthorp
3	College Algebra H	1-224	Aaron Zsilavec
4	Lunch - Sem 2	Cafeteria	Lib. Admin.
5	Spanish II	1-258	

OR In the Student Vue App.

The screenshot shows the Student Vue mobile app interface for Riley J. Repak, Grade 11 at Liberty High School. A red arrow points to the date 'Today (10/22/2020)' at the top. Below is a list of classes for Term 3:

Class ID	Room	Teacher	Time	Status
01: 23210 S				0-00001
02: 11440 P				00004
03: 13506 S				06-00001
04: 197000				001-002
05: 10460 AF				460-00001

A red arrow points to the 'Term 3' column header, and another red arrow points to the status icons in the 'Time' column.

Email your Counselor if you have an **ERROR** in your schedule for next semester:

- You are missing a class
- You have no lunch
- You have 2 lunches

**Sign-up to

Guidance FAQ Sheet

LIBERTY HIGH SCHOOL

Frequently Asked Questions:

How many credits are needed to graduate?	PUSD students must earn 28 credits to earn a diploma. Of the 28 credits, 16 are core classes and 12 are electives. Students can earn 8 credits each school year (4 per semester). Grades post twice a year - once in December and again in May. If students earn summer school credits, those grades will post in August. SEE BACK FOR GRADUATION CHECKLIST.
Are there any tests required to graduate?	All students must pass the American Civics exam in order to receive a diploma in Arizona. This is a 100-question exam that students must earn at least a 60% in order to graduate. Students will have 2-3 opportunities each school year to re-test until they pass it. A study guide of all the questions and answers can be found online at https://www.uscis.gov/sites/default/files/document/questions-and-answers/100q.pdf
How can I make-up credits to graduate on time?	If you are behind credits to graduate, you and your parents should contact your counselor ASAP to set up a meeting to make a Graduation Plan.
Can I take Dual Enrollment classes while in high school?	Students should look at the Course Offering Guide to see a list of dual enrollment opportunities here at Liberty. To sign up for these classes, students will register for the Liberty class on their ECAP and they will later register for the college credit portion of the class through the Career Center and Community College during the first few weeks of the semester. The LHS teacher will provide them all the registration details and timeline once the LHS class starts.
What additional credits do I need if I want to go straight to a 4-year university after high school?	All colleges list their admission requirements on their websites. Most 4-year universities require all core classes to have grades of C's or better and that the student has taken 2 credits of the same world language. A Fine Arts credit is often required for out-of-state universities.
Can I take a class in summer school?	Summer school schedules come out in late April each year. Check with your counselor at that time to see a list of available classes and find out about the registration process.
Can I earn credits outside of PUSD?	Students should not register to take any classes outside of PUSD without talking with their counselor FIRST to make sure the school is accredited, that we will accept/ post their credits, and to find out about PUSD Proficiency Testing Policy for all core classes taken online and outside of PUSD to see if the credit will count towards graduation or not.
How do I find out about the MET Academy classes at PHS?	The MET Professional Academy is the place where inspiration meets innovation and students who are interested in the fields surrounding Medical, Engineering, Technology, Entrepreneurship and Bioscience are set up for success while still in high school. These programs are taught at Peoria High School and students are co-enrolled in MET and their home school. Check out the website for more detailed information and to apply. https://www.peoriaunified.org/Domain/3628
Where can I get more information about West-Mec ?	West-Mec offers career and technical training in specific career fields and prepares students to be industry certified. PUSD students can be co-enrolled at their home school and go there for technical training classes. There is no district transportation provided for these programs. Visit the West-Mec website for more detailed information on all of their programs. Students apply online through West-Mec and need to bring a printed/signed copy of the application to their counselor in the Guidance Dept. Applications open in late-October. https://west-mec.edu/
Can I take a class at another high school in the District that Liberty doesn't offer?	Students must register to take all of their classes at LHS but they may fill out an application to get on a waitlist for an off-campus program. Students usually don't find out until the summer if they get into a class offered on another campus. If they get in, their counselor will contact them to find out what LHS elective they would like to drop. <i>District transportation may be provided one-way to that campus and must be indicated at time of application.</i> Check out the CTE programs and complete the "Co-Enrollment Consent and Release form" online at https://www.peoriaunified.org/Page/129
Where can I find my GPA and class rank?	Both GPA and Class Rank can be seen in Student Vue under the Course History tab. These are re-calculated after grades close each semester. PUSD has an unweighted GPA and a weighted class rank.
How do I get/send a copy of my transcripts?	You can download an unofficial copy of your transcripts online in Student Vue under the Course History tab at the top. If you need Records to send them somewhere, just email Mrs. Christmas and let her know where to send them. Her email address is lchristmas@pUSD11.net For students needing fast delivery of transcripts, you can have them sent electronically for a small fee at www.parchment.com This is the fastest and safest way to send official transcripts.

Which standardized tests should I take and when? ACT - www.actstudent.org SAT - www.collegeboard.com	Only students planning to go straight to a 4-year University after graduation need an ACT/SAT score for admission. Typically, these tests are taken during your junior/senior years. PUSD traditionally offers the ACT once for free to all juniors in the spring each year. Students may sign-up and pay to test as many times as they want online through ACT/SAT directly. Honors and college bound students often take the PSAT their sophomore or junior year. Juniors may qualify for the National Merit Scholars Program by receiving a qualifying score on the PSAT test their junior year and a subsequent qualifying score on the SAT.
When should I research colleges that I want to attend?	Research early so you and your family can start planning. It is important to know what GPA, test score, and academic requirements are expected for admission. Remember - your GPA is cumulative, 9 th -12 th grade. Your grades you are earning now are very important!
When do I start applying to colleges?	The earliest you can apply for college is July before your senior year starts. Counselors will meet with all seniors the first 2 weeks of school and give them an itemized to-do list for their senior year. We recommend that seniors apply by December 1 st of their senior year so they can compare academic award offers from colleges and finalize their plans early.
When do I apply for financial aid for college?	You can fill out the FAFSA starting October 1 st of your senior year. You will need your parents tax information and their assistance in completing this process. Counselors will give students an overview of this process and timeline at the beginning of their senior year.
Can I apply for scholarships now?	You can apply for scholarships anytime throughout high school. There is a scholarship portal online in Student Vue under the High School Resources tab. The Liberty Guidance webpage is a great place to check out lots of scholarship sites and get good information on types of financial aid. Also go check out the Career Center in the Library for more scholarship info.
I am interested in playing college sports, what do I do to prepare for that? NCAA - www.eligibilitycenter.org NAIA - www.playnaia.org	Talk to your coaches and counselor. Understand that a very small percentage of high school athletes play at the college level. There are many athletic divisions, some divisions are under NCAA and others are under NAIA. Athletes must meet NCAA or NAIA requirements to participate at the college level. NCAA has Division I, II, III. NAIA is another college athletics organization. In Arizona, ASU, UofA, NAU and Grand Canyon are all NCAA Division I. Embury Riddle, Arizona Christian, and Ottawa are examples of colleges in AZ that fall under NAIA, but many out of state schools do, too.
What is the Career Center and where is it located?	Liberty is fortunate to have a Career Center on campus, staffed full-time with a Career Center Specialist, Mrs. Soules, is located in the library. College, military, and scholarship resources are available there - go check it out! https://sapps.peoriaud.k12.az.us/coursesdescriptionguide
Where can I access the PUSD Course Description Guide? How do I see my Counselor?	You can reach your counselor several ways. E-mail is always the quickest and most efficient way to get your questions answered but you are welcome to come see us in person as well. If you come to the Guidance Office (in the front office) our Guidance Secretary, Mrs. Lewis can help you fill out a pass to have your counselor call you in to meet with you.
How do my parents and I get information from Liberty?	Most information will come to students in their classes and this information <u>should</u> be shared with parents. Liberty is utilizing email the most for communication with parents. Make sure your parent's email is current and they are checking it regularly. Facebook is also a GREAT way to stay up to date with all things going on at LHS. You can also sign up for Remind text alerts for your graduating class - check with your Counselor for the sign-up code.

Graduation Credits Checklist:

4 English: I II III IV

4 Math: Algebra I Geometry Algebra II 4th Math: _____

3 Science: Biology 2nd Science: _____ 3rd Science: _____

3 Social Studies: World History AZ/US History Gov/Econ

1 PE:

Materials for Registration

Today's goal:

*to complete your
Class Registration
for next year.*

Everyone will need
the following:

- Freshman ECAP
- Packet:
 - FAQ page
 - LHS Course Offerings
 - Off-Campus Programs

The **ECAP** is your Education and Career Action Plan. This is a tool to help you plan your classes and stay on track for your graduation and career goals. It will also eventually be a record of your class grades, GPA, Class rank, and school involvement.

FRESHMAN ECAP
Peoria Unified School District #11
FRESHMAN Educational Career Action Plan (ECAP)

Name: _____ High School: Liberty High School

Class of **2026** Counselor: _____

Career Goal: _____

Post-Secondary Plans - what do you plan to do after high school? Go to community college, a 4-year University, trade school, join the military, work? Please be specific: _____

Freshman Courses Currently Enrolled in:

List courses from your schedule here:

<u>Semester One</u>	<u>Semester Two</u>
1. _____	5. _____
2. _____	6. _____
3. _____	7. _____
4. _____	8. _____

Academic Planning/Registration for Sophomore Year:
Use the Course Offerings to choose classes. Write in titles and course numbers for each class for sophomore, junior and senior year. You will have an opportunity to update junior and senior course selections each year. Choose at least three alternate electives.

10 th Grade	Course Title	Course #	Credit
1. English	Choose One:		
	English II English II Honors		1
2. Social Studies	Choose One:		
	World History AP World History H		1

Filling out your ECAP

FRESHMAN ECAP

Peoria Unified School District #11

FRESHMAN Educational Career Action Plan (ECAP)

Name: Jessica Williams High School: Liberty High School

Class of 2025

Counselor: Mrs. Rizer

Career Goal: teacher or nurse or own my own business

Post-Secondary Plan: college or university (write name of college), military, trade/work:

Undecided - maybe NAU?

Freshman Courses Currently Enrolled in:

List courses from your schedule here:

<u>Semester One</u>		<u>Semester Two</u>	
1. <u>English I</u>		5. <u>Intro to Culinary</u>	
2. <u>Girls PE</u>		6. <u>Biology</u>	
3. <u>Marketing</u>		7. <u>Child Development</u>	
4. <u>Algebra I Yearlong</u>		8. <u>Algebra I Yearlong</u>	

Sophomore Classes –

Most need 5 Core Classes, 3 electives and 3 alternates. Include course numbers!

Academic Planning/Registration for Sophomore Year:

Use the Course Offerings to choose classes. Write in titles and course numbers for each class for sophomore year. You will have an opportunity to update junior and senior course selections each year. Choose at least three alternates.

10 th Grade	Course Title		Credit
1. English	Choose One: English II	English II H	10200 1
2. Social Studies	Choose One: World History	AP World History H	13200 1
3. Math	Geometry		11200 1
4. Math	Algebra II		11220 1
5. Science	Earth/Space Science		12280 1

Write your NEXT Science class on line 5. Let's look at what your options are...

Science Options.... 3 to graduate

SCIENCE - 3 required for graduation; universities 1 from 3 different types of science preferred			
Biology Lab Sciences			
12200 Biology	1		None
12250 AP PREP Biology H	1		Placement Testing/Teacher Rec.\$20 fee
12260 AP Biology H	1	X	11+; 70% or better in Chemistry; \$20 fee (optional AP exam)
12500 Human Physiology	1		11+; 70% or better Biology; Med Sci. or Chem recommended \$20 fee
12210 Biological Applications & Technology	1		11+; 70% or better in Chemistry; H credit available; \$25 fee
Environmental Lab Science			
12600 Environmental Science	1		10+; 70% or better Biology, \$10 fee
Earth Space Lab Science			
12280 Earth Space Science	1		10+; 70% or better Biology, \$15 fee
Chemistry Lab Sciences			
12300 Chemistry	1		10+; 70% or better Biology; enrolled in Alg II; \$10 fee
12350 AP PREP Chemistry H	1		10+; 90% Biology or 70% AP PREP Biology, enrolled in Alg. II \$15 fee
12360 AP Chemistry H	1		11+; 70% Chem. or AP PREP Chem. & enrolled Coll. Alg. H; \$20 fee
Physics Lab Sciences			
12400 Physics	1		11+; 70% or better Biology & enrollment in Alg II; \$10 fee
12450 AP PREP Physics H	1		10+; 90% Biology or 70% AP PREP Biology; enrolled Coll. Alg. H
12460 AP Physics I H	1		11+; 70% or better Physics or AP PREP Physics; \$20

Important... some Science classes require higher levels of math... may be better to take Junior year.

Sophomore Classes –

Most need 5 Core Classes, 3 electives and 3 alternates. Include course numbers!

Academic Planning/Registration for Sophomore Year:

Use the Course Offerings to choose classes. Write in titles and course numbers for each class for sophomore, junior and senior year. You will have an opportunity to update junior and senior course selections each year. Choose at least three alternate electives.

3. Math	Geometry	11200	1
4. Math	Algebra II	11300	1
5. Science	Earth/Space Science	11400	1
6. Elective	Ceramics I	15300	1
7. Elective	Advanced Culinary	24110	1
8. Elective	Driver's Ed / Health	17520 / 17510	.5 / .5
Alternate #1	Yearbook → Application!	10505	1
Alternate #2	Art I	15100	1
Alternate #3	Criminal Justice	24501	1

Write your NEXT Science class on line 5

Choosing Electives

After you have written in all the Graduation and University requirements, review the **Course Offering Guide** and choose your electives.

You must choose a **minimum** of 8 classes and 3 alternates.

Liberty High School
PROPOSED COURSES OFFERED FOR 2022-2023
 Selecting these courses will determine the Master Schedule for next school year. **NO** course request changes will be accepted after April 1. Make sure to review the course description on the Course Offering and Description Guide as well as check the necessary pre-requisite(s). The guide can be found on the Liberty Guidance web page or on the PUSD webpage under Course Offering and Description Guide as well as check the necessary pre-requisite(s). The final decision to offer a course will be dependent upon the following factors: classroom space, available certified teacher, district enrollment standards, and the district's ability to financially support the program. Prices for courses are approximate and subject to change pending board action.
 Please note the following: CR = Credit and DE = Dual Enrollment Courses (credit may possibly be earned through the Maricopa Community College System; costs vary with courses)

Choose Classes Wisely!

- ❖ **Pre-registration saves you a seat in the class you want! Changing later is *very difficult*.**
- ❖ **Make sure to check prerequisites and requirements.**
- ❖ **Include university requirements if needed** (*World Language*).
- ❖ **Choose classes that will help you in your career plan!**

Off-Campus Program Opportunities

Below are the off-campus programs available to Liberty students. All programs require an application or co-enrollment form that the student must submit to their Counselor to begin the process. All off-campus programs must be listed as alternates on the ECAP until the student is accepted.

PROGRAMS	DESCRIPTION	PROGRAM/CLASSES
<p>1. CO-ENROLLMENT (PUSD SCHOOLS)</p>  <p>HTTPS://WWW.PEORIAUNIFIED.ORG/PAGE/6461</p>	<p>9th – 12th grade Liberty students may apply to take elective programs not offered on our campus at other Peoria High Schools. Students will attend LHS for 2-3 classes and go to another PUSD high school for an additional class(es). Most classes are offered during 1st and/or 5th period, and one-way transportation may be provided. Students must complete a Co-Enrollment Form and turn it in to their Counselor, signed by a parent to apply. Hard copies are available in the Guidance office and electronic forms can also be found on Guidance website. Applying does not guarantee a spot in the program and students are usually notified in May-June if they are accepted.</p>	<ul style="list-style-type: none"> • AJFROTC I-IV • Auto Technology I-IV • Construction • Cybersecurity • Intro to Fire Suppression/Selection • Fashion Design I, II • Robotics • Patient Care Careers/Nursing Asst. LAB • See complete list of off-campus programs on reverse side!
<p>2. PEORIA UNIFIED SCHOOL DISTRICT</p>  <p>MET ACADEMY (PHS)</p> <p>HTTPS://WWW.PEORIAUNIFIED.ORG/MET</p>	<p>11th – 12th grade students may apply to go to the MET Academy which is located at Peoria High School inside of Old Main. Most of these programs offer dual enrollment opportunities and partnerships with working professionals to prepare students for post-secondary education and careers in the STEM fields. Students attend LHS for their core classes and go to MET for their elective classes. Programs are offered in AM and PM and transportation both ways may be provided. Students apply online on the PUSD MET homepage and submit the completed/signed application to their Counselor. Applying does not guarantee a spot in the program and students are usually notified in January if they are accepted.</p>	<p>STRANDS:</p> <ul style="list-style-type: none"> • Bioscience (One-year program) • Medical • Engineering • Technology • Global Business
<p>3. West-MEC</p>  <p>WWW.WEST-MEC.ORG</p>	<p>11th – 12th grade students can apply to a West-Mec program to take classes to train for a specific occupation or trade. Some programs are one-year, but most are two-years. West-MEC has multiple campuses located in proximity to PUSD schools, but all transportation is the responsibility of the student and parent. Go online to www.west-mec.org for information on program requirements, locations, times, fees, and open house dates. Students apply online and submit the hard copy to their Counselor (signed by a parent). Applying does not guarantee a spot in the program and students are usually notified in March-April if they are accepted.</p> <p> ** One-year programs ** One and Two-year programs (both options available) </p>	<p>Aesthetics * Air Conditioning Technology * Automotive Technology * Aviation Maintenance Technology * Avionics/Drone Electronics * Biomedical Science * Coding * Collision Repair and Refinishing * Culinary Arts * Dental Assisting * Drone Technology * Electrical Trade Specialty * Emergency Medical Technology * Energy & Engineering Technology * Environmental Sustainability * Fire Science * General Construction Technology * Hairstyling * IT Security * Law & Public Safety * Medical Assisting * Medical Laboratory Science * Medium/Heavy Diesel Technology * Nursing Services * Pharmacy Science * Physical Therapy * Powersports Technology * Precision Machining * Veterinary Science * Welding Technology</p>

Co-Enroll at other PUSD Schools

PEORIA
CO-ENROLLMENT AND TRANSPORTATION CONSENT AND RELEASE FORM

PUSD students have the opportunity to take unique courses offered on other campuses. In some instances, the district can provide transportation. To request a class on another campus please complete this form including the transportation option and signatures and have your student return this form to their school counselor.

Student Name: _____
 Parent Name: _____
 Course Requested: _____
 Check prerequisite and/or description: [Course Course Description Guide](#)
 School Year: 23-24 Term Preference: Fall Spring No Preference
 Student I.D. _____
 Parent Email: _____
 Student Email: _____
 (School Name) _____

Hour Preference: Period 1 Period 5 Other: _____
 Classes may not be offered at the chosen time. District transportation can't be provided if the course is met first or fifth period. Transportation is not provided for some classes such as Medical Assisting (P. 2453), COOP, Patient Care (P. 1822), & Fire Science.

Transportation Preference: Please initial the appropriate space(s).
 District Transportation: provided one way and only 1st or 5th hour. Note: 1st hour class, student must be dropped off at Co-enroll school at 7:15, district provides transportation back to home school. 5th hour district transportation to the co-enrolled school, student must be picked up at the co-enrolled school at 2:20.
 Parent/Guardian: student is at least 16 years of age, is a licensed driver, and can drive himself/herself. Other: ride with another licensed driver: _____
 Parents have responsibility to ensure that their student uses the mode of transportation authorized by the parent. Parents understand that the student driver is required to purchase a parking permit from the home school and that it must be displayed in his/her car window while parked at the other PUSD high school. This consent may be revoked or modified in writing at any time.
 We understand that School District employees cannot supervise participants when they travel to and from classes. We knowingly and voluntarily release and discharge Peoria Unified School District No. 11 and the members of its Governing Board, employees and agents from any and all liability, actions, lawsuits, claims, demands and expenses resulting directly or indirectly from loss of life, personal injuries, property damage, or other damage suffered by my/our student while traveling to or from classes by transportation other than a school authorized vehicle.

Additional University Requirements: Foreign Language I II

Elective Credits _____

WHAT TO DO NEXT?

- **Take FAQ & ECAP home and REVIEW w/ your parents!!! This is so IMPORTANT.**
- **Show your parents the Liberty Guidance website.**
- **Write down any Q's you or parents have and I will meet with you again next week.**
- **Have your ECAP complete & ready to turn in by 11/10/22. I will be back next week to help you put requests in online, answer Q's, and collect ECAPS.**

QUESTIONS ?
